PROCUREMENT CARD UPDATE

Treasurer Helen Soutee and Auditor Rick Findley addressed the Commission to update the Procurement Card usage policy. Helen Soutee stated that since July 2010 through August 2011 the County received \$15,230 back via the 1% usage refund.

Sheriff Jimmie Russell gave some history as to what had prompted the interest in the procurement card system. Auditor Rick Findley gave more history as to the transition from non-interest bearing cards to the current card system. Helen stated that of the 92 cards, half were used within the Sheriff's Department. Rick Findley suggested that if a reduction in cards was needed, there were as many as 10 that might need to have action taken on them. Discussion ensued.

Collector Sheila Wyatt said office supplies could not be ordered without a credit card. Jimmie Russell felt it was a better tracking method than what they previously had.

Joanna Jasper in the Auditor's Office stated that there was the opportunity to set up different purchasing abilities as well as credit limits and that card limits could be set on a daily basis to reduce liability.

Commissioner Strafuss asked what changes in policies the Auditor's office would like to see implemented. Mr. Findley requested a policy setting a per diem for meals, following state requirements, as well as a seminar evaluation funded by the County. Joanna Jasper requested a policy for receipt documentation.
