

How do household chemicals affect our water?

Did You Know...

When you dispose of paint, cleaners or anything else down a storm drain or street gutter, it goes directly to the stream or lake nearest you.

Soap is for dishes
...Not for fishes

Remember:

Never pour anything down a curb or storm drain that you wouldn't pour in a river.

HCC Collection Facility

601 Compton Dr. Branson, Missouri
*Located at the Branson Recycle Center
Open to all Taney County Residents*

Monday-Saturday: 7:30-1
Thursday: 7:30-6

Fuel oil	Transmission fluid
Furniture polish/waxes	Tub/tile cleaner
Gas cylinders (propane)	Unknown substances
Gasoline	Varnish
Insecticides	Windshield wiper fluid
Insect repellants	Wood preservatives
Kerosene	Wood stain

How do I dispose of paint?

To reduce possible water contamination, dispose of excess paint properly:

Never pour paint or paint residue in a storm drain. It goes to our waterways.

Take oil based paints to Household Chemical Collections (HCC) located inside Branson Recycle Center at 601 Compton Drive.

Latex paint is non-toxic and should be dried to a solid, then disposed of in regular trash. Cat litter or paint thickener (available at hardware stores) may be used to harden large amounts quickly.

Packaging and Transportation

- Keep products in original containers.
- Label materials not in original containers.
- If you are not sure of the product name, provide a description. Clearly label the container with the current date and **“UNKNOWN SUBSTANCE”** and **“DO NOT OPEN”**
- If the product is in a rusting or breakable container, place it within a plastic container with a tight fitting lid and label the outside container.
- **Never mix products!**
- **Seal lids tightly!**

chemicals **NOT** accepted

- * Business waste, commercial waste, or profit/not-for-profit organization waste
- * Pharmaceuticals or sharps
- * Explosives/ammunition
- * Radioactive waste
- * Infectious waste
- * Laboratory chemicals

Did you know...

Automotive batteries, button batteries, and motor oil can be recycled through various local businesses.

Remember...

- **Only HOUSEHOLD chemicals are accepted.** Small businesses should contact the Missouri Department of Natural Resources Technical Assistance Program (TAP) at 800-361-4827.

THE ABOVE ITEMS ARE AVAILABLE TO THE PUBLIC FOR REUSE

Household Chemical Collection (HCC) facility is open to all Taney County Residents
