

BID TABULATION FORM

BID DATE; Thursday November 8, 2012
BID FOR; Transfer Station Modifications
BID NUMBER; **RFQ# 201210-199**

RESPONSES RECEIVED FROM (Companies listed Alphabetically)
Aquaterra Environmental Solutions, Inc. Columbia, Missouri
Genesis Solid Waste Group, Inc. St. Louis, Missouri
Gredell Engineering Resources, Inc. Springfield, Missouri
HDR, Inc. St. Louis, Missouri (Forsyth Office)

The Taney County Commission met today in reference to the above listed RFQ, to receive a recommendation. Subsequent to a thorough review of all responses from the above listed companies, completed by: Scott Starrett, On-site Wastewater Permits Division 1&11 Inspector & Code Enforcer for Taney County Planning, Mr. Starrett recommended we accept HDR Engineering based on the following factors.

- The extensive experience of the Project Manager, specific to the number and scope of Transfer Station projects they have been involved with across the nation.
- The local availability of the Project Engineer. (Forsyth Office.)
- All parts of the project will be taken care of in house.
- The corresponding time line for completion to meet our deadline.
- The numerous Transfer Station projects HDR has been involved with as a company.

The Taney County Commission made a motion to award as such and it passed unanimously.

Thank you.
