**Computer Software  
Service Agreement**  
**Collectors Office and Clerks Office**

**General**

TPS LLC shall be available to provide and shall provide in a timely manner the necessary technical support to **Taney County** for the maintenance, day to day operation, and upgrades necessary for the continued operation of the various FoxPro software applications in the Taney County Collectors Office and Clerks Office.

TPS LLC and James Russell Travis warrant that there is no non-compete agreement applicable to the support and other services they are to supply to Taney County.

The scope of these services shall include but not necessary be limited to the following activities:

**Software Support**

Availability to work on any problem you may have with programs or data

Availability to program and install any change or addition you may want to make to your programs

Availability to upgrade or to add new features to your programs

Availability to install your programs on new hardware as you change or upgrade your hardware

Use of TPS LLC File Server facility to maintain a current copy of your programs and maintain a recent copy of your data files. These data files will be required for initial testing of program changes or additions.

Use of TPS LLC Lebanon Missouri office support workstation, remote access software and internet access to provide remote on-line support to Taney County.

Request for software support and programming related services, data and program recovery services needed as a result of hardware failure or user error, shall be provided by TPS LLC, Inc. on a Time & Materials basis and scheduled per Taney Counties priority and TPS LLC's availability. A written estimate of programming charges shall be provided and approved prior to any programming effort.

TPS LLC will make every effort to meet or exceed Taney Counties scheduled completion dates or its priority of completion of planned tasks and to resolve any day-to-day operational problems in a timely manor.

**Exclusion from Liability**

A statement of "Waiver of Liability" is attached as **Attachment 1** and is an integral part of this Service Agreement with Taney County.

This Service Agreement becomes void if a Taney County employee, a representative of Taney County, or a competing vendor, attempts to make an Application Software program change or in any way tampers with or reviews the Application Software covered under this Service Agreement, without the direct supervision or involvement by a TPS LLC technician or programmer.

**Term of Agreement**

The term of this agreement shall be for six(6) months with the effective start date being determined by an authorized Taney County signature and date on this Agreement. Taney County can cancel this Agreement at any time with a formal letter of termination delivered to TPS LLC.

**Price and Terms of Payment**

The total price for this Support Service Agreement is **\$600.00** plus Time and Materials at the programming and technical services hourly rate.

**Programming and Technical Services Hourly Rate**

All services requested, will be billed at an hourly rate of **\$115 per hour**. This "hourly rate" billing will be based on actual time spent on the task. Billing for time and materials charges will be made monthly and will be billed on a "net 30 days" basis.

**Travel and Travel Expenses**

Travel to the Taney County office location will be based on the following:

*Miles travels times \$.62 per mile plus round trip drive time times \$30.00 per hour.*

If over-night stays are requested by Taney County, the associated expenses for meals and lodging will be billed at cost plus \$100 fixed cost per nights stay.

**Appropriate Signatures**

Appropriate signatures on the spaces provided below will put this Service Agreement into effect.

## Attachment 1

### Waiver Of Liability

By execution of this Agreement Taney County Missouri expressly agrees that TPS, LLC shall not be liable for any damages arising from the provision of services by TPS, LLC, including acts of any agents, employee, or individuals acting on behalf of TPS, LLC. Taney County Missouri further agrees that TPS, LLC shall not be liable for any damages arising from the installation, deletion, changes, or any other action regarding a program or database service by TPS, LLC. Taney County Missouri assumes full responsibility for any such injuries or damages that may occur and further agrees that TPS, LLC shall not be liable for any loss or theft. Taney County Missouri also specifically agrees that TPS, LLC shall not be responsible for such injuries, damages, loss or theft even in the event of negligence by TPS, LLC, whether such negligence is present at the signing of this Agreement or takes place in the future. This waiver does not, however, apply to gross negligence or intentional torts by TPS, LLC.

**INTERGOVERNMENTAL AGREEMENT RELATING TO  
DRAINAGE IMPROVEMENTS**

**WHEREAS**, the COUNTY OF TANEY, MISSOURI (hereafter "County") is a political subdivision of the State of Missouri, and the CITY OF BRANSON, MISSOURI (hereafter "City") is a municipality of the State of Missouri, and are authorized to enter into an agreement to provide common services pursuant to the Missouri Constitution, Article 6, Section 16 and Section 70.220, RSMo; and

**WHEREAS**, County and City wish to enter into an agreement whereby City shall provide drainage improvements in the Fall Creek Roadway, as part of the Rainbow Shoals Project, and County shall reimburse City for actual costs incurred by City, as described herein;

**NOW, THEREFORE**, County and City each, for and in consideration of the promises herein made by the other, hereby agree:

1. The term of this agreement shall be for 12 months from the date of execution.
2. No modification of the terms of this agreement shall be valid until placed in writing and authorized by the majority of the governing body of each of the parties hereto.
3. The "whereas" paragraphs above are incorporated herein.
4. County agrees to reimburse the actual cost incurred by City for the materials and expense of installation of drainage improvements located in the Fall Creek Roadway, within the right-of-way of County, as part of the Rainbow Shoals Drainage Improvement Project. The obligation of County to reimburse City shall not exceed \$10,000.00, unless agreed to in writing by County before the City incurs the additional cost for which reimbursement in excess of \$10,000.00 is sought.
5. The County shall not be obligated to reimburse City until City has completed the work for which reimbursement is sought and has supplied documentation confirming the amount of the actual cost incurred by it for the materials and expense of installation.
6. County assumes no responsibility to oversee, direct, or otherwise participate in or control the installation of the drainage improvements in the Fall Creek Roadway, and City assumes all such responsibility.

IN WITNESS WHEREOF, the parties hereto have set their hands and seal the day and year written below.

Cristy Smith submitted Exhibit C – Real Estate Abatements for approval. The Commission decided to hold these until the Assessor’s Book is officially closed.

Discussion ensued about property with parcel #17-4.0-20-000-000-019.001 which had been exempted in 2010 but had received a tax bill for 2011. The Assessor explained that a tax bill was sent due to the fact that a box hadn’t been checked in his office’s computer system. He advised the Commission to approve the abatement of this property. Commissioner Strafuss made a motion to authorize and approve the abatement for parcel #17-4.0-20-000-000-019.001. Commissioner Strahan seconded the motion. The motion passed by vote: Houseman (aye), Strahan (aye), and Strafuss (aye).

### **STAFF DEPARTMENTAL UPDATE – ROAD & BRIDGE**

Randy Haes, David Stottle, Harlan Collins, and Devin Huff came before the Commission to discuss some issues and projects with Road and Bridge. This first is the purchase of a new mower. Randy said the cost would be about \$18,000 and this is off of the MoDOT list so he will not have to go out for bids. He stated that 75% of the funds will come from the Road and Bridge funds while 25% will come from the General County Revenue.

Randy also notified the Commission that two new trash trailers will need to be purchased for the transfer station. This cost will be just over \$100,000 to replace both trailers. The Commission instructed Randy to move forward with the bid process.

Mr. Haes discussed moving forward with the two-way radio system. Randy stated they will work off a contract that is already in place with the City of Branson and he with Ron Erickson. He said this will cover purchasing 70 new mobile radios, two base stations, and 12 portables. This will cost \$60,000 and Randy said that they have set aside for this in the equipment budget.

Randy notified the Commission that a backhoe would need to be repaired. The cost will be about \$8,500 with a year guarantee. They will go through John Deere for the replacement parts and since this is a maintenance issue with the equipment it will not have to go out for bid.

Mr. Haes discussed the need for additional guard rail on the Boys Camp Road project. He stated that 200-250 ft. of extra guardrail was needed to the cost of \$4000-4500. The county has elevated the road and can see where the additional guardrail would give the citizens a sense of safety. Discussion ensued about the initial grant that was used for this project and what was the county’s responsibility. The Commission instructed Randy to move forward with this project. He also updated the Commission that the tree issue on this road had been resolved.

Planning and Zoning had notified Mr. Haes that a zip line project was be planned on Lakeshore Drive. Bob Atchley told Randy that the developer would like an easement to come across the road. The Commission would like input from county counsel on whether the county could be held liable for anything.

Purchasing Agent Ron Erickson was present to discuss the transfer station issue. Ron was asking the Commission to clarify what the next step would be on this project. Commissioner Strafuss

commented that the old contract would need to be reviewed get specifics for bid, and volunteered to get with Ron after this.

Commissioner Strafuss discussed the possible need for manpower, from the Road and Bridge department, for the Fall Clean Up and the set-up of the auction in November.

Commissioner Strahan discussed the possibility of Randy speaking with MoDOT about mowing the state right-of-ways at least at intersections to increase visibility for drivers.

Commissioner Strafuss discussed the working hours for Road and Bridge after daylight savings time takes effect. Randy Haes stated that he would like them to go to five, eight-hour days during the winter and then resume the four, ten-hour days in the spring.

Commissioner Strahan asked for an update on the Silver Creek Project. Dozer decks had been pushed down into a hollow and then the property fence had been built behind the dozer decks. Randy said they are not on county right of way, but the issue is the decks may affect the drainage of the area. Commissioner Strahan notified Randy of an issue with tree stumps sitting on the county right of way in that area. Mr. Haes will get the citizen's name and number who could show him where the stumps are located.

## **MoDOT UPDATE**

Representatives from MoDOT came before the Commission to discuss their standard procedures for snow removal. The Commission asked Randy Haes to participate in this discussion. MoDOT has dedicated 18 trucks for service in Taney County. Due to traffic volume, 14 to 15 trucks will work the western side of the county. Since the Reuter facility has been sold, three trucks will be based out of Bradleyville. Each truck will average 25 lane miles, depending on where the turn-a-rounds are for the trucks. MoDOT wanted to notify the Commission that roads classified “Continuous Operation” doesn’t mean “Continuous Treatment”. MoDOT has made the commitment to have all routes services at least once every 12 hours during winter storm weather.

Commissioner Strahan discussed the potential of the county to give assistance (using plows not chemicals) to MoDOT. He said that county trucks, while traveling state maintained roads to get from one county road to another, could drop their blades to help keep roads clear. Commissioner Strahan was asking if there could be communication between the county road & bridge and MoDOT on the time of chemical placement and pushing snow. MoDOT agreed with the plan and said they would give the phone number of the trucks that are running in Taney County to Randy Haes.

MoDOT informed the Commission that the first round of “Bidding and Letting” had concluded and that it appears APAC was the low bidder. This will cover adding turn lanes with overlayment to Hwy 160. Hwy 265, 165 and part of 176 will get an overlayment. Also MoDOT will be changing the configuration at the intersection of Hwy F and Hwy 160. These are projected to start next spring and run through the summer.
