	2.1365	.0332	2.2458	.0729

Wednesday April 17, 2019: After opening responses from both of the above listed companies today, total cost response details were noted and documented by Road & Bridge Highway Administrator Devin Huff, Assistant Highway Administrator Denzel Brown, and me. Both of the complete response packages will be thoroughly reviewed by Taney County Road & Bridge Staff. Shortly afterward an agenda request was made, and approved, to deliver a formal recommendation for award to the Taney County Commission on Monday April 22, 2019.

Monday April 22, 2019: After a thorough review process by Mr. Huff of both bid responses received Petroleum Traders bid response offers a lower mark up on Diesel, while Empire Energy has a lower mark up on Unleaded. The County uses five (5) times more Diesel fuel than Unleaded fuel. In an effort to make the best, and fair, choices for the County Mr. Huff recommended to the Taney County Commission to award to Petroleum Traders as Primary supplier for both fuel needs and Empire Energy as Secondary supplier. A subsequent agreement, to that effect, will be issued to both Vendors and will remain in force for an initial period of 24 months with three (3) – one (1) year renewal options contingent upon pricing at that time.

A motion was made to award as such and The Taney County Commission then voted unanimously to award as recommended.

Thank you.
