**MISCELLANEOUS BIDDING PROCESS INFORMATION**

The Purchasing Department is responsible for the Bid opening at the time and place noted in the request. If a Vendor is interested in a copy of the Bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed Bids cannot be emailed so they must either be delivered by hand, courier, or USPS. (Please note USPS concerns on page #3, item #2.)

A formal invitation for Bid is utilized when the total purchase exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. The Bid Package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award. All Formal Invitations for Bid are handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the specific requesting department.

**Bid Response Tips:**

1. Read ALL Bid documents immediately upon receipt. Note any special dates or requirements.
2. Contact the Taney County Purchasing Department with any questions relating to the Bid prior to the Bid opening. (Email ONLY to: [rone@co.taney.mo.us](mailto:rone@co.taney.mo.us).)
3. Use ink to fill in all blanks. (If I can't read your handwriting your Bid **will** be rejected.)
4. Remember to supply the required number of copies, marking copies vs. original.
5. Turn your Bid in as soon as possible. The deadline dates and times are strictly adhered to. The County cannot accept any late Bids. In the event of only one response the County may reject the entire Bid and re-let it.
6. Attend pre-Bid conferences, if any. (Most are Mandatory.)
7. Pay close attention to the terms *must*, *shall*, *should* or *may*. **READ EVERYTHING.**
8. Include an updated **W-9** form completed with your company information and signature.
9. Include, if applicable, current **prevailing wage** considerations within your Bid.
10. Remember to sign the Bid sheet as this is mandatory.

**ADDENDUM #2 - Issued April 24, 2012**

This addendum is issued in accordance with the Introduction and General Information in the Request for Bid and is hereby incorporated into and made a part of the Request for Bid Documents. Offerors are reminded that receipt of this addendum **shall** be acknowledged and submitted with Offeror's *Response Page*.

Specifications for the above noted Request for Bid and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

This office has received the following questions as listed below. Keeping in full compliance with the instructions stated within this RFB we are submitting our best possible answers to the below questions - listed in red.

1. On page two of the bid form, item #9, please clarify what information you are referring to in regard to "prevailing wage considerations"? **ANSWER: Vendor must comply with current state law governing prevailing wage which is standard when performing any "labor" on County owned property. In this case those Vendor Employees making deliveries which require "labor". Order #19 available on our website.**
2. On page three, number 10, does the bid stay in effect for "ninety" or "(30)" days? **ANSWER: That is a TYPO which in any case of such a typo the written word prevails over the numerical, thus NINETY DAYS.**
3. Please refer to page 4, Background Information, item 1.) We would like to provide a delivered price from Hilda quarry to your Hilda Yard. We will not have personnel at Hilda quarry at all times available for aggregate to be picked-up. We would therefore write in the picked-up column "No Bid". Is this acceptable? **ANSWER: In this case, as I have in the past, will have to answer with a basic response reminding all Vendors that the Bid process itself allows for various options including the invitation to be creative. This item includes the words MUST in the first part and option in the second part. As such I suggest Vendors respond accordingly with their best answer. Often there are areas within an RFB as complicated as this where a "NO BID" response is acceptable.**
4. We will not be producing all material types requested at each quarry location from which we will bid. We would mark in the "delivered" or "Picked-Up" column "No Bid" for the specific material type we are not producing. Is this acceptable? **ANSWER: Often there are areas within an RFB as complicated as this where a "NO BID" is acceptable.**
5. In order to provide aggregate pricing from separate quarry locations, we are assuming that we should submit a separate Bid page for each location. How do you want each Bid page identified? **ANSWER: Obviously the reviewer MUST know what they are looking at. Previous year Bidders have made separate copies for each location. Again the reviewer must be able to know which is what.**

Thank you.
