Welcome... Thank you for taking the time to review / participate in the following project and Thank You for your interest in Taney County Missouri.

- *There are several steps, requirements and legalities which must be followed when engaging in an effort to respond to any certain Bid.*
- *Here I hope to assist any/all participants in making sure everyone has a fair and pleasant experience regarding this Bid.*
- *Please keep in mind that it is entirely possible that despite our best efforts information as detailed within this Bid may NOT include everything for every possible situation. Please contact me if you experience this.*
- *Historically 90% of the questions we receive are already answered within the full Bid Package.*
- *PLEASE READ all of the information CLOSELY and if you have a question review the information again as it is most likely you will find the answer.*
- *We ask, or rather require, that any/all questions be emailed rather than calling.*
- *All emails received WILL be answered as indicated within the written guidelines for written questions. (P.6)*
- *For areas, questions, and requirements that do not always apply - "N/A" may be an option. (P.7 - Item 4.2)*
- *Do not get "Side Tracked" by "Boiler-Plate" wording as it is impossible to "Tailor-Make" every single Bid Package 100% of the time to be a perfect fit. The mere word "Bid" suggests "an express effort to win". Be creative, offer options, and GOOD LUCK...!*

Sincerely,

RON ERICKSON
Director of Purchasing
Taney County Missouri

1. BIDDING PROCESS INFORMATION

The Purchasing Department is responsible for the Bid opening at the time and place noted in the request. If a Vendor is interested in a copy of the Bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed Bids cannot be emailed so they must either be delivered by hand, courier, or USPS. (Please note USPS concerns on page #4, item #2.3)

A formal invitation for Bid is utilized when the total purchase exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. The Bid Package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award. All Formal Invitations for Bid are handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the specific requesting department.

- Bid Response Tips:

Bidders should take into account all possible risks of their Bid not arriving in time when electing to mail in Bids too close to the above closing date. Often the Post Office leaves a “pick up slip” in our PO Box which may / may not allow us time to retrieve said item. It is the Bidders responsibility, not the county, nor the Post Office, to ensure their Bids are **delivered** in time to the Purchasing Department. (Extra steps may be needed if your Bid response package is a large box.)
- 2.4 **Late Packages:** The County will not accept any Bids received after the listed closing date/time and will consider such late Bids as **NON-RESPONSIVE**. They will be returned un-opened.
- 2.5 **Opening:** Bids will be opened publicly at “Opening Date / Time”, as listed on page one, and read aloud. All Bid responses will be considered public information as soon as they are opened and become a part of public record to be released to any person or firm who formally requests it.
- 2.6 **Award.** Recommendation for award will be made formally to the Taney County Commission at a later date after a full and complete review process – often within a few days of the Bid opening. - 2.18 **Direct Email Address:** Vendors **MUST** supply this in order to receive award results. (Not simply a website.) We do not use USPS for results notification *only* email. Final results will be emailed to all responding Vendors using the email address provided within their Bid response on page one. - 4.6 **Evaluation Process:** The County's sole purpose in the evaluation process is to determine from among the Responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.

Addendum #1
August 19, 2014

This addendum is issued in accordance with Section #3, on page #6 – “Guidelines for Written Questions”, indicated within the Request for Bid. The following information is hereby incorporated into and made a part of the RFB Documents. Bidders are reminded that receipt of this addendum **shall** be acknowledged by email *or* submitted with Bidder’s *Response Page*.

Specifications for the above noted RFB and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

This office has received the following questions with answer provided by Sheriff Russell in red:

- 1.) “Page 9, 6.42 One piece pre-molded fiberglass aerodynamic top. We are requesting the approval of a one piece composite roof material. Cosmo Lite Roof Membranes create higher quality, more durable, lighter weight roofs.” Please advise?
- 2.) “Page 9, 6.46 1” polystyrene foam board insulation. We are requesting to utilize our two part spray foam insulation 1.25” thick. This foam insulation is self-adhering, seamless, and has a high insulating efficiency to better insulate the bus.” Please advise?

ANSWER to BOTH QUESTIONS: Yes, we will accept the CosmoLite Roof Membranes as well as the spray foam insulation as long as both have comparable or better warranties as our specifications require.

This addendum may *also* be acknowledged via email. This will be the **ONLY** addendum for this RFB.

Thank you.
