*Welcome... Thank you for taking the time to review / participate in the following project and Thank You for your interest in Taney County Missouri.*

- *There are several steps, requirements and legalities which must be followed when engaging in an effort to respond to any certain Bid.*
- *Here I hope to assist any/all participants in making sure everyone has a fair and pleasant experience regarding this Bid.*
- *Please keep in mind that it is entirely possible that despite our best efforts information as detailed within this Bid may NOT include everything for every possible situation. Please contact me if you experience this.*
- *Historically 90% of the questions we receive are already answered within the full Bid Package.*
- *PLEASE READ all of the information CLOSELY and if you have a question review the information again as it is most likely you will find the answer.*
- *We ask, or rather require, that any/all questions be emailed rather than calling.*
- *All emails received WILL be answered as indicated within the written guidelines for written questions. (See Section #3)*
- *For areas, questions, and requirements that do not always apply - "N/A" may be an option. (See Item 4.3)*
- *Do not get "Side Tracked" by "Boiler-Plate" wording as it is impossible to "Tailor-Make" every single Bid Package 100% of the time to be a perfect fit. The mere word "Bid" suggests "an express effort to win". Be creative, offer options, and GOOD LUCK...!*

## 1. BIDDING PROCESS INFORMATION

The Purchasing Department is responsible for the Bid opening at the time and place noted in the request. If a Vendor is interested in a copy of the Bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed Bids cannot be emailed so they must either be delivered by hand, courier, or USPS. (Please note USPS concerns listed in item #2.3)

A formal invitation for Bid is utilized when the total purchase exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. The Bid Package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award. All Formal Invitations for Bid are handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the specific requesting department.

As a courtesy the below “BIDDING TIPS” Table is offered to assist Bidders. Feel free to use it as a checklist and information source to help create a more accurate response which is more compliant than it might otherwise turn out. Use a checkmark (✓) in the correct box as it applies to ensure everything is covered...

*A = Acknowledged below item with intent to comply/agree with as it may/may not apply.*

*N = Not applicable.*

ITEM #	BIDDING TIPS (Suggestions & Requirements.)	A	N
1.1	Read ALL Bid documents closely / immediately upon receipt.

1.3	See Items 3.1 & 3.2 for the process to submit questions.

1.5	Un-readable responses will be rejected.		
1.6	Three (3) copies of Bid are required. Please differentiate copies from original.

1.12	When a Bid, or project, includes pre-bid meetings or on site visits, Bidder attendance and compliance with sign-up sheets, etc., is mandatory.		
1.13	Pay close attention to the terms <i>must, will, shall, should or may</i> .		
1.14	Include a current/signed W-9 form with your company information. Having this up front benefits any awarded Vendor by greatly expediting our payment process. Taney County Accounts Payable Department must have this form before they can process payment.		
1.15	Include, if applicable, current prevailing wage considerations with your Bid.		
1.16	Remember to sign the Bid sheet as this is mandatory.		

The following sections; 2, 3, and 4 include instructions, conditions, guidelines, requirements and other key factors that must be understood. Use a checkmark (✓) to acknowledge each of the following items. We have found this method improves communications and helps to avoid confusion.
