

RFB# 201111-158 (Crime & Accident Reconstruction Software) Results;

Thursday December 15, 2011

Response to the above listed RFB resulted in only one Bid being received. Given to the uniqueness of the requested software, combined with information supporting that factor that I had received, I made a recommendation to the Taney County Commission to proceed with the Bid opening and award this Bid to the one Vendor who responded. At this point I also asked Sgt. Barnwell, who was present - to add any information he felt might be beneficial. After an explanation from him and a few questions from the Commission the Bid was opened and read aloud – a motion was made to make the award and the Taney County Commission voted unanimously to do so.

BID AWARDED TO; A-T Solutions Company, Inc. out of Boise, Idaho. They had submitted a Bid for the total cost to the county in the amount of: \$15,886.00... Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
