The Taney County Commission met today in reference to the above listed RFB. After opening responses from all of the above listed companies a motion was made to allow a time for a thorough review of all information packages as received from each by Sheriff Jimmie Russell. The Commission requested that after said review a recommendation be made on Monday February 27, 2012.

**February 27, 2012:** Subsequent to a thorough review Sheriff Russell returned to meet with the Commission and recommended that despite the difference in the two lowest Bids he suggested the local dealership made more sense, rather than Independence, and recommended the Commission award this Bid to Tri-Lakes Motors in Branson, Missouri. (Going with the 3.6 motor.) The Commission thereafter voted unanimously to do so. At the request of the Sheriff I asked for a clarification, on the record, that we would not be locked in as to the exact number of vehicles we would have to purchase. This is mentioned within the Bid but we wanted it mentioned here again. The Commission included this point in their vote.

Thank you.
