

BID RESULTS

BID DATE; Monday May 7, 2012
BID FOR; Aircraft Maintenance Provider
BID NUMBER; **RFP# 201204-175**

Response to the above listed RFP resulted in only one Bid being received. I requested instruction from the Taney County Commission as to proceed or re-let. They instructed me to proceed and open the single response after which those results were forwarded to the Taney County Airport Board for them to review.

June 22, 2012: I received word from the Airport Manager that he had been notified that the person who submitted the one response – as mentioned above – has requested to be allowed to withdraw. The Taney County Airport Board allowed said withdrawal and asked that this RFP be canceled while they explore other options.

June 28, 2012: I formally requested the Taney County Commission to cancel this RFP based on the above information. A motion to do so was made and they unanimously voted to cancel.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
