BID FOR; Patrol Car Vehicular Repeaters
BID NUMBER; **RFB# 201604-341**

RESPONSES RECEIVED (Company)	TOTAL COST LISTED ON BID RESPONSE
RADIOPHONE ENGINEERING Springfield, Mo. 65806	\$52,533.00

Wednesday May 18, 2015: Although this RFB was sent to three (3) qualified Vendors, today I opened the only Bid package received and documented the details with Road & Bridge Interim Administrator, Randy Haes. Mr. Haes assisted as a witness filling in for the Sheriff as he was already present for other business. I then forwarded a copy to the Sheriff for a thorough and complete review. An agenda request has been made, and approved, for Monday May 23, 2016 in order to deliver an award recommendation.

Monday May 23, 2015: The Taney County Commission met today to hear an award recommendation for the above listed RFB. Subsequent to a thorough review of the detailed pricing offered, Sheriff Jimmie Russell forwarded me his request to present his recommendation for award due to him attending a required meeting out of town. Per his request I recommended the bid as received from Radiophone Engineering, listed above, to be awarded. A motion was made to award as such and the Commission passed it unanimously.

Thank you.

Director of Purchasing
