Wednesday November 29, 2017: The basic costs as listed above are from four (4) responses received for the above listed RFP, opened in the Commission Hearing Room – in public, by myself and Taney County Auditor Rick Findley. Preliminary costs as listed above are taken directly from bid responses as asked for in items 4.2.1 & 4.2.2 within this RFP. Cost factors are a key aspect of the overall review but are not the only determining element. Mr. Findley will complete a thorough review of all responses. An agenda request has been made, and approved, to deliver a recommendation for award to the Taney County Commission on Monday December 11, 2017.

Monday December 11, 2017: After a complete and thorough review of all of the above responses Taney County Auditor, Rick Findley, recommended; KPM CPAs of; Springfield, Mo. for award for Independent Auditing Services. KPM may not be the lowest but we believe they are the best choice for Taney County after considering all factors including first year costs, total costs for 4 years, experience, as well as contacting several of the references. After a brief discussion the Taney County Commission agreed and made a motion to award as recommended which passed by unanimous vote.

Thank you.
