

## BID AWARD RESULTS

BID DATE; Wednesday November 21, 2018  
BID FOR; Septic System Services  
BID NUMBER; **RFB# 201810-418**

**Wednesday November 21, 2018:** After opening responses received from the below listed Vendors, for the above listed RFB, in the Commission Hearing Room – in public, a decision was made to allow a time for a thorough review of said information by Taney County Environmental Services Director John Soutee. During the course of the next week, or so, John will review all aspects of each full bid response very closely in addition to the three submitted pricing averages as listed below.

A formal agenda request to make an award recommendation on Monday December 3, 2018 to the Taney County Commission has been requested and approved.

### RESULTS:

| VENDORS                       | CITY                 | TOTAL BID PRICE AVERAGE (per location) |
|-------------------------------|----------------------|--|
| Boerman Septic Services       | Forsyth, Mo.         | \$131.66                               |
| S & S Septic Services         | Forsyth, Mo.         | \$133.33                               |
| Ozarks Environmental Services | Kimberling City, Mo. | \$146.11                               |

**Monday December 3, 2018:** After a complete and thorough review by Mr. Soutee, of all three responses, two of the three above responses were found to be very close. However, the lowest proposed costs to the County, per their above bid response, came from Boerman Septic Services. Therefore, with all other requirements asked for within our solicitation being met, we formally recommended Boerman Septic Services of Forsyth, Missouri as low bidder for award of this bid. This being the overall best choice for the County we asked for a motion vote from the Taney County Commission to award as such. Said motion was made and the Commission voted unanimously to award to Boerman as recommended.

Any subsequent Agreement shall commence on the date it is fully executed and extend for 12 months thereafter with an option to automatically renew for an additional one-year period by order of the Taney County Commission subject to the pricing clauses as agreed to, and offered by this Awarded Contractor's bid response.

Thank you.
