

RFP# 201107-143 (CTC) Results:

On Monday morning September 12, 2011 the Taney County Commission voted to award RFP# 201107-143 (Computerized Temperature Control) to: EPM - Manufacturers of Computerized Temperature Control 2105 Power Drive Fulton, Missouri 65251. As follows: "Base CTC w/ Volt & Monitoring". Also listed was an expected timeframe of 4.3 years with a savings estimate of \$96,189.00 per year. This is for the **Justice Center & Jail only**.

STIPULATION: If Taney County realizes the estimated savings within the estimated timeframe, please allow the option to also convert / install like system in the current Courthouse.

Please feel free to contact Mr. Fred Malicoat, assigned project Engineer, who is available to answer any questions. (Malicoat / Winslow Engineers.) Thank you.
