After opening responses from the above listed companies a motion was made to allow a time for a thorough review of all information packages as received from each by the Sheriff. The Commission requested that after said review a recommendation date be scheduled with their office. Said date was scheduled for Thursday January 17, 2013 at 9:00 AM.

Thursday January 17, 2013: Taney County Sheriff Jimmie Russell appeared before the Taney County Commission where he announced that he had thoroughly reviewed each package and was prepared to recommend;

Digital Ally Inc. of: Lenexa, Ks. for award. This is not the lowest price but in comparing apples to apples it does appear to be the best solution for our needs. Other local agencies use Digital Ally with very good results. The Taney County Commission made a motion to award as such and it passed unanimously.

Thank you.
