Thursday January 31, 2013: The Taney County Commission met in reference to the above listed RFB. After opening responses from the above listed companies, Mr. Paul Black, P.E. with Hood-Rich, Inc. who is overseeing this project, assisted in reviewing all six information packages. Subsequent to our review of all the detailed pricing offered MTS Contracting had submitted a Bid on "Part Two" which is significantly lower than all other responses. As such the Commission instructed us to check with that Vendor to ascertain their ability to honor their low response. Mr. Black was able to gain confirmation that MTS indeed had submitted their information correctly and they would honor it. We were then scheduled to make a formal recommendation on Monday February 25, 2012. (Delayed due to scheduling & weather issues.)

Monday February 25, 2013: MTS Contracting, Inc. of: Springfield, Missouri was recommended for award of "Part Two" via this Bid. The Taney County Commission made a motion to award as such and it passed unanimously.
