After opening responses from all of the above listed companies today, Sheriff Jimmie Russell and I completed a thorough review of all information received as well as documenting each response as listed above. All three Vendors have indicated that Chrysler has a program currently in place which is set to expire on April 30, 2013 causing these Bidded amounts to increase. As such we want to complete this process as soon as possible. We then requested to be formally scheduled for a recommendation to be made on Monday April 8, 2013 to the Taney County Commission.

April 8, 2013: The Taney County Commission met today in reference to the above listed RFB. Sheriff Russell, and I, met with the Commission and recommended that due to the small difference in the two lowest Bids we suggested the local dealership made more sense and recommended the Commission award this Bid to **Tri-Lakes Motors in Branson, Missouri**. The Commission thereafter voted unanimously to do so.

Thank you.

Director of Purchasing
