

**The First PLACE! character education initiative is a partnership among The Keeter Center for Character Education at College of the Ozarks, the schools, the homes, and the businesses in Taney County. By “linking arms” and working together on a common trait each month, there will be a positive impact on our culture.**

**For more information on this exciting effort, please visit [www.keetercenter.edu](http://www.keetercenter.edu).**
