

## BID TABULATION FORM

BID DATE; Tuesday August 20, 2013  
BID FOR; Automated Remittance System  
BID NUMBER; **RFB# 201307-232**

RESPONSES RECEIVED (Company)	BID # (In Order Received.)	TOTAL COST LISTED ON BID RESPONSE (Below Submitted Pricing Includes Annual Maintenance.)
TIPTON SYSTEMS Springfield, MO	1	\$29,945.00
CREDITRON Eules, TX	2	\$29,544.00
RP SOLUTIONS, INC. Ithaca, NY	3	\$29,533.00
RT LAWRENCE CORP. Whittier, CA	4	\$43,479.00

Tuesday August 20, 2013: After opening responses to the above listed Bid, from the above listed companies, a decision was made to allow a time for a thorough review of all information packages as received from each by Taney County Collector Sheila Wyatt.

Thursday August 22, 2013: Subsequent to a thorough review of all the detailed pricing offered, Sheila Wyatt recommended, to the Taney County Commission, the Bid as received from: **Tipton Systems of Springfield, Mo.** - listed above – to be awarded. Although Tipton was not the lowest of the Bids received they offered the best ability to deal with our existing software as well as being in possession of very high recommendations from several other Missouri Counties close to us. Said recommendations and experience being totally in line with needs specific for our Collectors Office here in Missouri. Local availability for support, maintenance, and training is also a key reason for recommending them.

The Taney County Commission made a few inquiries, agreed with the criteria for award, and made a motion as such which passed unanimously.

Thank you.

Ron Erickson,  
Director of Purchasing  
Taney County Missouri
