

BID AWARD INFORMATION

BID DATE; Tuesday April 29, 2014

BID FOR; Aggregate Rock

BID NUMBER; **RFB# 201403-257**

<u>Tuesday April 29, 2014:</u> After opening three (3) responses received for the above listed RFB, in the Commission Conference Room – in public, a decision was made to allow a time for a thorough review of said information by Road & Bridge Coordinator Randy Haes. Thereafter an agenda request was made, and approved, to deliver a recommendation for award on Monday May 5, 2014.

Monday May 5, 2014: Subsequent to a thorough review of the detailed pricing offered, within each Bid Package Response received, Mr. Haes recommended a multiple award process as detailed on the attachments to the Taney County Commission. A motion to award as such was made and it passed unanimously.

Given the complex nature of this RFB, and the extensive details as asked for within each response, we asked the Road & Bridge Office Manager – Kathy Roberts to prepare a Bid Tabulation Spreadsheet which she did in amazing fashion. Please see it attached here. The Taney County Commission used her spreadsheet as a vital tool to review all responses and thereby concur with the recommendation. For the record they offered their appreciation directly to Kathy for her hard work resulting in an exemplary spreadsheet.

Thank you.
