

BID TABULATION FORM

BID DATE; Tuesday April 21. 2015
BID FOR; Engine Rebuild (Semi-Tractor)
BID NUMBER; **RFB# 201504-300**

Tuesday April 21, 2015: Although this RFB was sent to three qualified Vendors, today I opened the only Bid package received and documented the details with Road & Bridge Interim Administrator, Randy Haes. Mr. Haes then took a copy for a more thorough and complete review. An agenda request has been made, and approved, to deliver a formal recommendation to the Taney County Commission on Monday April 27, 2015.

Monday April 27, 2015: The Taney County Commission met today in reference to the above listed RFB. Randy Haes completed a thorough review of the information package finding that the Bidder had failed to respond correctly to the information and specifications required within the Bid by not indicating any responses whatsoever within sections #7 & #8. They also modified item #6.2 which in itself makes their Bid non-responsive and thus grounds for disqualification on that single point. Mr. Haes added that the overall cost submitted was higher than all previous quote requests.

Therefore, acting in the best interest of Taney County, we recommend this RFB be rejected and will explore alternate options to solve this problem. The Commission voted unanimously to accept this recommendation and rejected this RFB.

Thank you.

Director of Purchasing
