BID FOR; Voting Machines, Supplies, and Services

Monday January 4, 2016 @ 9:30 AM: After releasing the above Bid on December 8, 2015, with Direct Bid Invitations to various Vendors who might be able to offer a response, we only received one response. Said response package was opened today on the date & time above. The below information was received and documented with Taney County Clerk, Donna Neeley – formally in front of the Taney County Commission on the record. Donna then took a copy of the full Bid response for a thorough and complete review. An agenda request had previously been made, and approved, for later this morning, at 10:30 AM, to deliver an award recommendation.

VENDOR: Henry M. Adkins & Sons, Inc. of; Clinton, Mo. 64735  
GRAND TOTAL PRICE FOR ALL.... **\$138,070.40...** ("10% DISCOUNT IF PAID IN FULL DURING 2016" making the total amount; \$124,263.36...)

The above Bid response, along with the above pricing, also included all required forms signed and/or initialed. Their references are very impressive and specific to the needs we are looking for. Also they have been a Vendor on file with Taney County with a very satisfactory work record.

Monday January 4, 2016 @ 10:30 AM: The Taney County Commission re-convened to hear an award recommendation for the above listed needs, via RFB#201512-321. Subsequent to a thorough review of all the detailed pricing offered, Taney County Clerk, Donna Neeley recommended; Henry M. Adkins & Sons, Inc. of; Clinton, Mo, Mo. for award. A motion was made to award as such and the Commission passed it unanimously.
