Wednesday February 24, 2016: After opening responses from all of the above listed companies today, initial details were noted and documented by Road & Bridge Interim Administrator Randy Haes and myself. All responses will be thoroughly reviewed by Mr. Haes. An agenda request has been made, and approved, to deliver a formal recommendation to the Taney County Commission on Monday March 7, 2016.

Monday March 7, 2016: The actual lowest bid response received was from Potter Equipment but during his thorough review process Mr. Haes discovered they had listed numerous exceptions of too significant nature to be considered for award, nor compatible to the other responses – which is a requirement. Mr. Haes delivered his recommendation to the Taney County Commission to award to Murphy Tractor of; Springfield, Mo. as the next lowest Bidder per their response as listed above.

A motion was made to award as such and The Taney County Commission then voted unanimously to award to Murphy Tractor.

Thank you.

Director of Purchasing
