Wednesday March 16, 2016: After opening responses from all of the above listed companies today, initial details were noted and documented by Road & Bridge Interim Administrator Randy Haes and myself. These numbers include warranty adjustments. All responses will be thoroughly reviewed by Mr. Haes. An agenda request has been made, and approved, to deliver a formal recommendation to the Taney County Commission on Monday March 21, 2016.

Monday March 21, 2016: The actual lowest bid response received was from Potter Equipment but during his thorough review process Mr. Haes discovered they had numerous exceptions indicated within their bid response which were too significant to be considered for award, nor compatible to the other responses – which is a requirement. Mr. Haes delivered his recommendation to the Taney County Commission to award to Murphy Tractor of; Springfield, Mo. as the next lowest Bidder per their response as listed above.

A motion was made to award as such and The Taney County Commission then voted unanimously to award to Murphy Tractor.

Thank you.

Director of Purchasing
