Wednesday March 1, 2017: After opening responses from both of the above listed companies today initial details were noted by Interim Road & Bridge Administrator, Randy Haes, and myself. These responses will be thoroughly reviewed by Mr. Haes. An agenda request has been made, and approved, to deliver a formal recommendation for award to the Taney County Commission on Monday March 6, 2017.

Monday March 6, 2017: After completion of a thorough review Mr. Haes delivered the above Bid results along with his recommendation to award to Metal Culverts, Inc., as the low Bidder overall. A subsequent agreement will reflect the above prices for ongoing purchases by Taney County on an "as needed" basis. The Taney County Commission then voted unanimously to award as such.

Thank you.

Director of Purchasing
