

BID AWARD INFORMATION

BID DATE; Wednesday April 19, 2017

BID FOR; Aggregate Rock

BID NUMBER; **RFB# 201703-372**

Wednesday April 18, 2017: After opening five (5) responses received for the above listed RFB, in the Commission Conference Room – in public, a decision was made to allow a time for a thorough review of said information by Road & Bridge Administrator Randy Haes. Thereafter an agenda request was made, and approved, to deliver a recommendation for award on Monday April 24, 2017.

Monday April 24, 2017: Subsequent to a thorough review of the detailed pricing offered, within each Bid Package Response received, Mr. Haes recommended a multiple award process as detailed on the attachment to the Taney County Commission. Given the complex nature of this RFB, and the extensive details within each response, as we had asked for within the bid, Road & Bridge Office Manager Kathy Roberts prepared a spreadsheet to compare the required information. This expertly created tool was used by the Commission and is also attached here.

After discussion concerning all of the details of this recommendation, including the spreadsheet as mentioned above, the Taney County Commission made a motion to award primary to Table Rock Asphalt of Branson, Mo., secondary to APAC-Central of Fayetteville, Ar., and tertiary to Buchanan Materials of Branson, Mo. This motion is based on a complete and thorough evaluation of the lowest & best bid response, acting in the best interest of the county. Subsequent vote passed unanimously to award as such.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
April 24, 2017

Re: Bid # 201703-372

To: Taney County Commission

Dear Commissioners,

I have reviewed the bid for aggregate materials from five vendors and will recommend TRAC Materials Inc. as primary vendor. Apac Central as secondary vendor, and Buchanan Materials as tertiary.

Randy Haes

A handwritten signature in black ink that reads "Randy Haes". The signature is written in a cursive style.

Taney County Highway Administrator
