

SOLE SOURCE RESULTS INFORMATION

SSP DATE; Monday November 13, 2017

SSP FOR; Aerial Drone

SSP NUMBER; SSP #201710-388

Monday November 13, 2017: The Taney County Commission met in reference to the above listed SSP for a Law Enforcement Drone as requested by Sheriff Russell who was not available due to an emergency. After I presented the information supporting a declaration of Sole Source, for the specific Vendor listed within SSP#201710-388, the Commission had a few questions which only the Sheriff could answer so the item was tabled.

Wednesday November 15, 2017: The Taney County Commission again met to address this request this time with the Sheriff present. Subsequently to our initial release of sole source intentions an alternate Vendor has identified themselves. Therefore, as directed by state statute, I requested the Commission to formally vote to reject my initial request. After a brief discussion a motion was made as such which passed unanimously being noted in the formal minutes.

We will now put out a formal bid via RFB#201711-391, for this needed tool, to be released on November 18, 2017.

Thank you.
