Wednesday April 18, 2018: After opening responses from the above listed companies, today, initial details were noted and documented by Road & Bridge Administrator Randy Haes and Assistant Administrator Devin Huff. Both packages will be thoroughly reviewed by Mr. Haes & Mr. Huff. An agenda request has been made, and approved, to deliver a formal recommendation for award to the Taney County Commission on Monday April 23, 2018.

Monday April 23, 2018: After a thorough review process by Mr. Haes and Mr. Huff a determination was made that both responses are fully qualified and compliant with all bid requirements and specifications as asked for. Taney County Assistant Road & Bridge Administrator, Devin Huff, formally recommended to the Taney County Commission;

- For Asphalt needs to be laid in place by Bidder (Item #'s 3.2.1 & 3.2.2 as priced above.) award to Leo Journagan Const., Inc. of Springfield, Mo. as Primary Supplier and Table Rock Asphalt Construction Company, Inc., of Branson, Mo. as Secondary Supplier.
- For Asphalt needs that can be picked up at Bidders Plant by County Employees (Item #'s 3.3.1, 3.3.2, 3.3.3 & 3.4.1 as priced above.) Mr. Huff's recommendation is reversed with Table Rock being Primary, Journagan Secondary.

Awarding, as recommended above, ensures a process resulting in significant cost savings for Taney County Missouri. Mr. Huff's signed recommendation letter is hereby included.

A motion was made to award as such and the Taney County Commission then voted unanimously to award accordingly as stipulated above. A subsequent Agreement, for both, will be for 12 months, with a 12 month renewal clause – per mutual agreement on pricing, etc, at that time. Thank you.

Re: RFB# 201803-403

To: Taney County Commission

I have reviewed the two bid responses for Asphalt and recommend for the primary for laid in place to be Leo Journagan Const. Secondary laid in place to be Table Rock Asphalt Construction. For picked up at the plant I recommend Table Rock Asphalt Construction as primary and Leo Journagan Const as secondary.
