Mark Kirby who lives in the neighborhood spoke in favor of the request. Marc Rys another neighbor spoke in opposition. Kyla Kutch who owns property in the subdivision spoke in favor of the request, because her property has been nightly rental. The vote to approve was three in favor and one opposed.

#18-01A; Thomas and Susan Unger; appeal of the Planning Commission decision regarding case #17-030 to allow nightly rental at 1345 Oakwood Dr. Mr. Starrett presented the staff report and location maps of the site. Mr. and Mrs. Unger were present. Mr. Boone gave the attorney's opinion. Mrs. Unger clarified her request and pointed out errors in the Code that in her opinion the staff and Planning Commission made. She presented pictures of the buffering and discussed that. Wastewater, Parking and compatibility were also discussed by Mrs. Unger. Mr. Starrett gave a report on the type of wastewater system. Nancy Gunkle who represented the property owner addressed the concerns of the speakers. Several people signed up to speak both for and against the request. Some of the concerns were; compatibility, noise, wastewater, covenants, access, speed limit, safety, Planning Commission voting process and procedures, buffering, parking, and parking for the boat docks. Discussion followed regarding staff recommendations, the Planning Commission meeting, the combination of the concept hearing and public hearing, parking of boat trailers, narrow roads, and compatibility. The representative of the owner addressed some concerns. With no other discussion, a motion was made by Mr. Kitchen to approve based upon not having adequate compatibility to the neighborhood. Seconded by Mr. Mullen. The vote to approve the appeal was unanimous.

#18-04A; Paul Riazantsev; appeal of the Planning Commission decision regarding case #17-43 to deny nightly rental at 725 Skyline Road. Mr. Starrett presented the staff report and location maps of the site. Randy Reichard the attorney for the applicant was present to clarify the request. He pointed out that the access road is private with an easement. In his opinion there is an adequate buffer, and if any property should be granted nightly rental it should be this one because it meets all the requirements and none of the neighbors oppose it, except the Penrod's who live at least 1000' away at the end of the road. The Penrod's have posted no parking signs on the road. Because this property is an investment by the owners, they are careful who it is rented to. He felt it would be arbitrary to deny this request. Anna Morrissey who represents the Penrod's explained the reasons they oppose this request. Becky Penrod pointed out access, road maintenance, privacy, and guidelines for nightly rentals. Discussion followed regarding road width, compatibility, access, reason for Planning Commission denial, steepness of the access road. After discussion a motion was made by Mr. Mullen to approve the appeal based upon the access being adequate. Seconded by Mr. Kitchen. The vote to approve the appeal was three in favor and one against.
