Wednesday December 18, 2019: This Request For Bid (RFB) resulted in two responses which we opened today in public. One response did not include all required documents to be considered for this bid and was thereby rejected. The other response *did* qualify and offered the above listed pricing details. Buildings & Grounds Supervisor, Scott Terpening, and myself documented said pricing. Scott then took a copy of the qualified bid response for a thorough review. An agenda request was made, and approved, for Monday December 23, 2019 to deliver an award recommendation to the Taney County Commission.

Monday December 23, 2019: During the review process, in reference to the above listed bid for Appliance Repair services for the Taney County Jail, we determined the pricing submitted above is the exact same from this same Vendor's previous bid response as was awarded in 2015. All other requirements as asked for in this new bid was completed correctly by this Vendor including all attached forms with notarizations and current references. Therefore we recommended Ozarks Food Equipment of; Springfield, Mo. for award. The Taney County Commission then voted unanimously to award as such.

Any subsequent Agreement shall commence on the date it is fully executed and extend for 12 initial months thereafter subject to the provisions for termination detailed within any final Agreement. Said agreement will then auto-renew annually contingent on both parties being fully satisfied with all stipulations, and costs as agreed to above.

Thank you.
