

## June 2nd, 2020 General Municipal Election

Due to the COVID 19 Pandemic I have decided to conduct the June 2nd General Municipal Election as a Drive-Thru Election to protect both the Poll Workers and Voters. We ask that you come prepared to vote in your vehicle. You do have the option of exiting your vehicle and voting at the Official Table. We will have Secrecy Screens available. While voting in your vehicle we ask you to bring a smooth surface to put your ballot on, ie: magazine, cardboard etc. We WILL NOT be touching your I.D's: the Judges will manually enter the information from your I.D. into the PollPad. You will then simply sign the PollPad as always using your finger. We will sanitize the PollPads between each voter. You will be provided a pen to mark your ballot. Which we will retain and sanitize for the next Election. We will have the regular Ballot Box/OVO for you to deposit your ballot in. Please feel free to bring any personal protection you feel is necessary. We are all working together to provide a safe environment for Elections. Below you will find the names of our Current Polling Places and the Name and Address of the Temporary Polling Place for this June 2nd Election. If you have any questions, please call the County Clerk's Office at 417-546-7249.
