RE: Taney County Judicial Center Settlement (Bid Evaluation)
Job No.: 4195.12 (GRE)

On July 13th, 2023, an invitation to bid the Taney County Judicial Center Settlement project was advertised in a local newspaper.

A Pre-Bid meeting was held on Thursday, July 27th, 2023, at the Taney County Commission Hearing Room to review the project with potential bidders. The meeting was attended by one contractor.

Bids for the Project were opened at the Taney County Commission Hearing Room on August 3rd, 2023 at 2:00 PM. One (1) bid packet was received for the bid opening. The bid was submitted on time by K Davis Enterprises LLC of Ava, MO. The bid bond was present at the time of bid as well as the receipt of all two (2) addenda that were issued during the bid advertisement period. A subcontractor discloser was provided which was a supplementary requirement for the bid. K Davis Enterprises LLC bid is considered responsive.

K Davis Enterprises LLC, Ava, MO. is the apparent low bidder for the Taney County Judicial Center Settlement project. Their bid was \$63,804. The Engineer's estimate for the bid was \$40,867.50.

The lowest total project base bid \$63,804 is higher than the Engineers Opinion of Probable Cost of \$40,867.50. The two main differences between the lowest bid and the Engineers Opinion of Probable Cost are:

- The small quantity of asphalt replacement needed for the project created an increase in the unit price for the replacement.
- Bid Line Items 6 and 7 addressing area inlets are bid alternates that are only needed if deemed necessary to replace. These bid items came in at a higher unit price due to the depth of the storm manholes.

This project was advertised fairly, and there was a total of five (5) plan holders. It is the opinion of Great River Engineering that we do not believe a re-bid would result in a lower bid. Therefore, it is our recommendation to the Taney County Commission to award the contract for the Taney County Judicial Center Settlement project to K Davis Enterprises LLC.
