Wednesday, June 21, 2023: This bid process resulted in one (1) Vendor response, which was opened, in the Commission Hearing Room, with the assistance of Devin Huff, Road & Bridge Administrator, publicly. After opening the only response received, a decision was made to allow time for a thorough review of said information.

A formal agenda request to make an award recommendation on Wednesday, August 30, 2023 to the Taney County Commission was requested and approved.

Monday, July 17, 2023: During the review process for Pomp's Tire Service, Inc., it was noted that they did not comply with portions of Section 1.-3. (No checkmarks but did initial each page as acknowledgement. Under STANDARD TERMS AND CONDITIONS. Section 3.6 states "The Taney County Commission has the right to accept or reject any part or parts of all bids, to waive any informalities or technicalities and to accept the offer the County Commission considers the most advantageous to the County. Taney County reserves the right to award this bid on an item-by-item basis, or an "all or none" basis, whichever is in the best interest of the County." You have full liberty to accept and waive the "do not comply" response, if you so choose.

Travis Elliott has weighed in on this matter and describes it as a post award issue and recommends the Commission waive irregularities and award this RFB.

After a thorough review of the detailed pricing offered, Devin Huff, Road & Bridge Administrator and myself recommend awarding Pomp's Tire Service, Inc., Springfield, Missouri, as the best option for the County, and ask the Commission for a motion vote as such.

The Taney County Commission made a motion to award Pomp's Tire Service, Inc., Strafford, Missouri and the motion passed unanimously by vote.
