Taney County, Missouri**

**MISCELLANEOUS BIDDING PROCESS INFORMATION**

The Purchasing Department is responsible for the bid opening at the time and place noted in the request. If a Vendor is interested in a copy of the bid tabulation they must include a direct email address, not website, in order to receive results quickly. We will no longer use USPS for results notification. Obviously sealed Bids cannot be emailed so they must either be delivered by hand or USPS.

A formal invitation for bid is utilized when the total purchase exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. The Bid Package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award. All Formal Invitations for Bid are handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the specific requesting department.

**Bid Response Tips:**

1. Read ALL bid documents immediately upon receipt. Note any special dates or requirements.
2. Contact the Taney County Purchasing Department with any questions relating to the Bid a minimum of 7 days prior to the bid opening. (Email works faster than calling and is more efficient.)
3. Use ink to fill in all blanks clearly.
4. Remember to make the required number of copies. (When asked for.)
5. Turn your bid in as soon as possible. The deadline dates and times are strictly adhered to. The County cannot accept any late bids. In the event of only one bid response the County may reject the entire bid and re-let it hoping for more participation.
6. Attend pre-bid conferences, if any. (Most are Mandatory.)
7. Pay close attention to the terms *must, shall, should* or *may*.
8. Include an updated **W-9** form completed with your company information and signature.
9. Include, if applicable, a current level of **prevailing wage** considerations within your Bid.
10. Remember to sign the Bid Proposal sheet as this is mandatory.

*Please Note...*

*There are several steps, requirements, and legalities which must be followed when engaging in an effort to respond to any certain Bid or Proposal Request. Here I hope I have served to assist any/all participants in making sure everyone has a fair and pleasant experience with my County. Please keep in mind that it is entirely possible that this sheet, along with all of the other information as detailed within this Bid, may NOT include everything to cover every possible situation. Should that occur please let me know.*
