BIDDING PROCESS INFORMATION

The Purchasing Department is responsible for the Bid opening at the time and place noted in the request. If a Vendor is interested in a copy of the Bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed Bids cannot be emailed so they must either be delivered by hand, courier, or USPS. (Please note USPS concerns listed in item #4 on the next page.)

A formal invitation for Bid is utilized when the total estimated purchase exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. The Bid Package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award. Facilitation of the Bid Process is handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the requesting department. (Either Elected Official or Department Director.)

As a courtesy the below table is offered to assist Bidders. Feel free to use it as a checklist and information source to help create a more accurate response which is more compliant than it might otherwise turn out. Use a checkmark (✓) in the correct box as it applies to ensure everything is covered... (This part of this Bid package is optional, but a great tool.)

*A = Acknowledged below item with intent to comply/agree with as it may/may not apply.
 N = Not applicable.*
