Other. (Explain.)

2. Describe the unique features/compatibility of the product that precludes competitive bidding. **Certain modules described above are manufactured ONLY by this company and not available to other distributors.**

3. What research has been done to verify this vendor as the only known source?
Extensive research has been done by other agencies resulting in this Vendor being the only source.
4. Does this vendor have any distributors or dealers that sell their product to others?
 Yes (please attach a list of known sources).
 No.
5. Must this product be compatible with present inventory/equipment, or in compliance with the manufacturer’s warranty or existing product agreement? If yes, please explain. **YES. Equipment must be the same as specified so that Taney County is compatible with other agencies in our area.**
6. Once this declaration is approved, what additional upgrades, additions, or supplies is anticipated or projected over the useful life of this product?
Ongoing product software upgrades, labor, maintenance, parts, and repairs.
7. If this is an upgrade/add-on/supply/repair/etc. to existing equipment, how was the original equipment purchased (sole source or competitive bid)? **n/a**
8. What additional, related, sole source purchases have occurred since the initial purchase? **n/a**
9. How has this product been purchased in the past? (Sealed Bid, Sole Source, RFP, other) **New Technology.**
10. What are the consequences of not securing this specific product? **Diminished service to the public by not being able to quickly search areas for lost / injured subjects.**
11. Additional reasons supporting the continuation of this product.
See all of the above.
12. How long is sole source approval necessary for this type of purchase? Is this a one-time purchase or is there an identified time period needed? **One time purchase.**

NOTE: If any possible viable competition has been established resulting from responses received during this process that meets / exceeds ALL requirements as set forth within this document please circle “YES” here and attach details in writing to this SSP. Otherwise a motion will be made by the Taney County Commission to finalize this declaration by a signature below designating listed Vendor on page 1, as a “Single Feasible Sole Source” available to provide those said products listed within this SSP as well as within any necessary or required approved contracts that may follow.

Commission Approval:

Signature Date

Missouri Revised Statutes

Chapter 50

County Finances, Budget and Retirement Systems

- **Section 50.783.1 (Sole Source – Taney County Missouri)**

August 28, 2015

Waiver of competitive bid requirements, when--rescission of waiver, when--single feasible source purchases.

- **The term “Supplies” as used within this statute includes “Products”.**

50.783. 1. The county commission may waive the requirement of competitive bids or proposals for supplies when the commission has determined in writing and entered into the commission minutes that there is only a single feasible source for the supplies. Immediately upon discovering that other feasible sources exist, the commission shall rescind the waiver and proceed to procure the supplies through the competitive processes as described in this chapter. A single feasible source exists when:

- (1) Supplies are proprietary and only available from the manufacturer or a single distributor; or
- (2) Based on past procurement experience, it is determined that only one distributor services the region in which the supplies are needed; or
- (3) Supplies are available at a discount from a single distributor for a limited period of time.

2. On any single feasible source purchase where the estimated expenditure is three thousand dollars or over, the commission shall post notice of the proposed purchase. Where the estimated expenditure is five thousand dollars or over, the commission shall also advertise the commission's intent to make such purchase in at least one daily and one weekly newspaper of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least ten days before the contract is to be let.
