INTRODUCTION & BASIC PROCESSING INFORMATION:

The Purchasing Department is responsible for the bid opening at the time and place noted in the request. If a Vendor wants a copy of the bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed bids cannot be emailed so they must either be delivered by hand, courier, or U.S.P.S. (Please note U.S.P.S. issues listed in item #1.3 on the following page.)

A formal invitation for bid is utilized when the total purchase estimate exceeds \$4,500. The County also uses this method when the life of a term and supply contract is valued more than \$4,500. A complete bid request package will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award.

All formal invitations for bid are handled by the Taney County Purchasing Department. Technical specifications are the responsibility of the specific requesting department point of contact listed in section #2, Scope of Services.

Read ALL solicitation documents closely - immediately upon receipt. Note any/all special dates and submit your response as soon as possible. See Items 1.21-1.24 for the process to submit questions. Pay close attention to the terms *must, will, shall, should* or *may*.

Section #1, as follows includes instructions, conditions, guidelines, requirements and other key factors that must be understood. Using the checkmark system here will assist Vendors in participating correctly and limit the possibility of their response being disqualified due to a technicality. Use a checkmark (✓) to acknowledge each of the following items. We have found this method improves communications, limits the need for questions and thus addendum, and helps to avoid other areas of confusion.

1.	INSTRUCTIONS AND GENERAL CONDITIONS:	(✓)
1.1	Delivery of: <i>Sealed Responses</i> , subject to Instructions and General Conditions and any special conditions set forth herein, will be received at the Taney County Purchasing Office until the request closing date and time indicated herein for furnishing the County with goods, and or, services as detailed within these following pages.	
1.2	Closing: <i>Sealed Responses</i> must be delivered before "Closing Date / Time" as listed on page one, to the Taney County Purchasing Department as listed on page two.	
1.3	United States Postal Service Note: There is no mail delivery service at our offices. If a Bidder must use U.S.P.S. <u>do not</u> require a return receipt request signature on our end as we do not have staff to wait in line at the Post Office when their counter is open to sign for a bid response package. Use regular mail sending your response to our P.O. Box address only. The Post Office only recognizes our P.O. Box address. Other delivery services require our physical address. Both addresses are listed on page #2. It is the Bidder's responsibility, not the County, nor the Post Office, to ensure responses are delivered in time to the Purchasing Department.	
1.4	Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered as "NON-RESPONSIVE". They will not be opened.	
1.5	Opening: Responses will be opened publicly at "Opening Date / Time", as listed on page one, and read aloud. All responses will be considered public information as soon as they are opened and become a part of public record to be released to any person or firm who formally requests it.	
1.6	Award / Timeline: Recommendation for award will be made formally to the Taney County Commission as soon as possible after a complete departmental review. Updates may be sent via email should the award process become delayed for any reason. (10 days or more.)	
1.7	Withdrawals: Responses may be withdrawn on written request from the Bidder at the address shown in this request prior to the time of acceptance of the response. Once a response is opened, and accepted, it can only be withdrawn by order of the Taney County Commission.	
1.8	Sealed & Marked: Responses must be submitted in a sealed envelope identified with the bid number and dates of closing & opening. List the bid number on the outside of the box or envelope and note " <i>Response to Request for Bid enclosed</i> " with a return name & address. No fax or electronic transmitted responses will be accepted. Make sure your package indicates "BID", with the BID NUMBER - on the final outside surface of your package.	
1.9	No Bid: If you elect not to submit a response, return the No Bid Response Form in section #5 of this package, and note your reason. (Optional). An email is allowable for a "No Bid" response.	

1.10	Bidder Expenses: This County is not responsible for any expenses which Bidders may incur in estimating, inspecting, nor preparing information to respond to this request.	
1.11	Presentations / Inspections: The County reserves the right to conduct personal interviews or require presentations, inspections, of or from any or all proposers prior to selection. The County will not be liable for any costs incurred by the Bidder in connection with such interviews, presentations, or inspections. (i.e. travel accommodations, etc.)	
1.12	Bid Term: All Responses submitted shall be binding, and remain firm for ninety (90) calendar days following the opening, unless otherwise indicated. Pricing / Costs submitted within this response must be honored within that set timeframe. Bidders should not respond unless certain on this point. Submitted pricing to this request, once opened, cannot be changed for any reason. Any such changes, by law, will disqualify that full response.	
1.13	Bid Rejection: The Taney County Commission reserves the right to reject any or all responses when such rejection is in the best interest of the County.	
1.14	Multiple Awards: Responses may be awarded to one company or multiple companies; when such award is deemed in the best interest of the County.	
1.15	Payment Terms: Taney County standard payment terms are <i>Net 30</i> after receipt of an invoice. We can not, and will not, agree to any other payment terms. Once products, or services, are received and accepted Taney County will process payment in full. Invoices need to be issued, and mailed, correctly, to the requesting department - not Purchasing.	
1.16	Requests for credit applications are not necessary and will – in most cases – not be processed. Requests for deposits are not necessary and will not be accepted.	
1.17	Any award agreement shall take effect upon the approval by the Taney County Commission.	
1.18	Alterations: Any alterations, changes, lining out, or margin notes to any items within these instructions may result in said response being disqualified.	
1.19	Direct Email Address: An email address MUST be provided in order to receive award results. (Not a website.) We do not use U.S.P.S. for results only email. Final award results will be emailed to all responding Vendors. Please do not call for results.	
1.20	Results are always posted at: www.taneycounty.org . Please do not call for results.	
1.21	All questions for this solicitation must be submitted no later than 2:00 P.M. Monday February 5, 2018. Questions are to be emailed to the department point of contact listed within this request as well as copied (cc) to the Purchasing Director at; rone@co.taney.mo.us	
1.22	All questions received will be combined to be answered in one written addendum and emailed to all parties who had previously been part of the original DBI (Direct Bid Invitation email), or had made email contact during the open questioning timeframe.	
1.23	Any necessary addendum email will be sent as close as possible to the day following the deadline listed in item #1.21 above. The addendum will also be posted on the Taney County website attached at the end of the posted Bid. An indication at the end of the posted bid, in red, will alert visitors to our website Purchasing Page as to the presence of any addendum.	
1.24	Aside from routine processing questions if it becomes necessary to revise any part of this solicitation, written addendum will be issued to address that need. Any addendum is valid only if in writing and issued by the Taney County Purchasing Department.	

1.25	<p>Award of Contract: The County reserves the right to award to more than one (1) supplier. Multiple awards may be made on the basis of a primary, secondary, and tertiary supplier. The primary supplier shall furnish the County's requirements until such time as the County determines that it is in the best interest of the County to seek performance from the secondary supplier, then tertiary supplier. The County's decision will be based upon the ability of the primary source to supply acceptable goods or services within the County's time requirements. The County's decision to utilize the secondary and tertiary sources shall be final and conclusive. In addition, the resulting contract from this request will be considered "Non-Exclusive". The County reserves the right to obtain service from other suppliers. Always acting in the best interest of the Taney County Missouri.</p>	
1.26	<p>Agreement: The entire contents of received bid response documents submitted by the successful Bidder to this request shall include all bid documents and will become a part of any contract award as a result of this solicitation. These signed documents will be binding. Bidder shall initial all pages where the document denotes "Bidder's Initials: ___" at the bottom of each page after completing each section. Any responses not complying with this condition may be considered non-responsive and rejected. The Awarded Vendor, of this request, will follow up with a written agreement draft, working with our Legal Services Department, and oversee completion of that process to the mutual satisfaction of all parties in harmony with this signed response. Our standard <i>Sample</i> agreement currently being used by Taney County, in most cases, is attached here as a reference. It is not necessary to fill in the blanks of the "<i>Sample</i>".</p>	
1.27	<p>Response Content: In order to enable direct comparison of competing responses, Bidders must submit responses in strict conformity to the requirements stated herein. Failure to adhere to all requirements may result in Bidder's Response being disqualified as non-responsive. All responses must be submitted using the forms provided herein. Every question should be answered. If not applicable, the section should contain "N/A."</p>	
1.28	<p>Advice of Award: The County's Responses, Bid Tabulations, and Bid Award information may be viewed on our website at www.taneyCounty.org. (Purchasing Department Page.)</p>	
1.29	<p>Response Clarification: The County reserves the right to request additional written or oral information from Bidders in order to obtain clarification of their responses.</p>	
1.30	<p>Rejection or Correction of Responses: The County reserves the right to reject any or all responses. Minor irregularities or informalities in any response which are immaterial or inconsequential in nature, neither affected by law nor at substantial variance with bid conditions, may be waived at our discretion whenever it is determined to be in the best interest of Taney County Missouri.</p>	
1.31	<p>Evaluation Process: The County's sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.</p>	
1.32	<p>Acceptability: The County reserves the sole right to determine whether goods and/or services offered are acceptable for County use.</p>
