**INTRODUCTION & BASIC PROCESSING INFORMATION:**

A formal invitation for bid is utilized when any total purchase estimate exceeds \$6000.00. The County must also let out formal solicitations when the life of a term and supply contract is estimated to exceed \$6000.00. A complete bid request package will contain well-defined standard technical specifications for the nature of the service or product(s) requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award.

The Purchasing Department is responsible for the bid opening at the time and place noted in this solicitation. If a Vendor wants a copy of the bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed bids cannot be emailed so they must either be delivered by hand, courier, or U.S.P.S. (Please note U.S.P.S. concerns as listed in item #1.3 on the following page.)

All formal invitations for bid are handled by the Taney County Purchasing Department. However, technical requirements and product specifications are the responsibility of the specific requesting department as listed in sections #2 & #3.

Read ALL solicitation documents closely - immediately upon receipt. Note any/all special dates and submit your response as soon as possible. See Items 1.21-1.27 for the process to submit questions. Pay close attention to the terms *must, will, shall, should* or *may*.

Section #1 includes instructions, conditions, guidelines, requirements and other key factors that must be understood. Using the checkmark system here will assist Vendors in participating correctly and limit the possibility of their response being disqualified due to a technicality. Use a checkmark (✓) to acknowledge each of the following items. We have found this method improves communications, limits the need for questions and thus Addendum, and helps to avoid other areas of confusion.

1.	INSTRUCTIONS AND GENERAL CONDITIONS:	(✓)
1.1	Delivery of: <i>Sealed Responses</i> , subject to Instructions and General Conditions and any special conditions set forth herein, will be received at the Taney County Purchasing Office until the solicitation closing date and time indicated herein for furnishing the County with goods, and or, services as detailed within the following pages.	
1.2	Closing: <i>Sealed Responses</i> must be delivered before "Closing Date / Time" as listed on page one, to the Taney County Purchasing Department as listed on page two.	
1.3	United States Postal Service WARNING: Due to the fact that there is no mail delivery service at our offices, we <b>strongly</b> discourage Bidders from using the U.S.P.S. If a Bidder elects to use the United States Postal Service do <b>NOT</b> send "return receipt requested" on our end as we do not have staff to wait in line at the Post Office <i>when their counter is open</i> to sign for a bid response package. ALSO...The Post Office only recognizes our P.O. Box address. Other delivery services require our physical address. Both addresses are listed on page #2. It is the Bidder's responsibility, not the County, nor the Post Office, to ensure responses are delivered in time to the Purchasing Department. Courier or hand delivery works the best.	
1.4	Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered "NON-RESPONSIVE". They will not be opened or returned.	
1.5	Opening: Bids will be opened publicly at "Opening Date / Time", per page one, and read aloud. All responses will be considered public information as soon as they are opened and become a part of the public record to be released to any person or firm who formally requests a copy.	
1.6	Award / Timeline: Recommendation for award will be made formally to the Taney County Commission as soon as possible after a complete departmental review. Updates may be sent via email should the award process become delayed for any reason. (10 days or more.)	
1.7	Withdrawals: Responses may be withdrawn on written request from the Bidder at the address shown in this request prior to the time of acceptance of the response. Once a response is opened, and accepted, it can only be withdrawn by order of the Taney County Commission.	
1.8	Sealed & Marked: Responses must be submitted in a sealed envelope identified with the bid number and dates of closing & opening. List the bid number on the outside of the box or envelope and note " <i>Response to Request for Bid enclosed</i> " with a return name & address. No fax or electronic transmitted responses will be accepted. Make sure your package indicates "BID", with the BID NUMBER - on the final outside surface of your package.	
1.9	No Bid: If you elect not to submit a response, return the No Bid Response Form in section #5 of this package, and note your reason. (Optional). An email is preferred for a "No Bid" response.	

1.10	Bidder Expenses: This County is not responsible for any expenses which Bidders may incur in estimating, inspecting, nor preparing information to respond to this solicitation.
1.11	Presentations / Inspections: The County reserves the right to conduct personal interviews or require presentations, inspections, of or from any / all Bidders prior to selection. The County will not be liable for any costs incurred by the Bidder in connection with such interviews, presentations, or inspections. (i.e. travel accommodations, etc.)
1.12	Bid Term: All Responses submitted shall be binding, and remain firm for ninety (90) calendar days following the opening, unless otherwise indicated. Pricing / Costs submitted within this response must be honored within that set timeframe. Bidders should not respond unless certain on this point. Submitted pricing to this request, once opened, cannot be changed for any reason. Any such changes, by law, will disqualify that full response.
1.13	Bid Rejection: The Taney County Commission reserves the right to reject any or all responses when such rejection is in the best interest of the County.
1.14	Multiple Awards: Responses may be awarded to one company or multiple companies; when such award is deemed in the best interest of the County.
1.15	Payment Terms: Taney County standard payment terms are <i>Net 30</i> after receipt of an invoice. We can not, and will not, agree to any other payment terms. Once products, or services, are received and accepted Taney County will process payment in full. Invoices need to be issued, and mailed, correctly, to the requesting department - not Purchasing.
1.16	Requests for credit applications are not necessary and will – in most cases – not be processed. Requests for deposits are not necessary and will not be accepted.
1.17	Any award Agreement shall take effect upon the approval by the Taney County Commission.
1.18	Alterations: Any alterations, changes, lining out, or margin notes to any items within these instructions may result in said response being disqualified.
1.19	Direct Email Address: An email address <b>MUST</b> be provided in order to receive award results. (Not a website.) We do not use U.S.P.S. for results only email. Final award results will be emailed to all responding Vendors. Please do not call for results.
1.20	Results are always posted at: <a href="http://www.taneycounty.org">www.taneycounty.org</a> .
1.21	All questions for this solicitation must be submitted no later than 2:00 P.M. on Monday December 9, 2019. Questions must be emailed to the department point of contact listed within this request as well as copied (cc) to the Purchasing Director at; <a href="mailto:ron.erickson@co.taney.mo.us">ron.erickson@co.taney.mo.us</a>
1.22	Aside from routine processing questions, if it becomes necessary to revise any part of this solicitation due to a significant question received which could impact specifications; a written Addendum will be issued to explain any new / necessary modifications.
1.23	Any /all solicitation impacting questions, causing the need for modifications, will be combined into one written Addendum with answers and explanations to cover any / all new issues.
1.24	Any necessary Addendum is valid only if in writing and issued by the Taney County Purchasing Department.
1.25	Any necessary Addendum will be emailed as close as possible to the day following the deadline listed in item #1.21 above, to all parties who had previously been part of the original DBI (Direct Bid Invitation email), or had made email contact during the open questioning timeframe.
1.26	When an Addendum is necessary it is a formal / legal process which Bidders are required to formally respond to. Follow the instructions as indicated in detail on the Addendum itself.
1.27	Any necessary Addendum will also be posted on the Taney County website attached at the end of the solicitation there. An indication in red, placed at the end of the affected bid, will alert website visitors as to the presence of an Addendum – if / when one is needed.

1.28	<p>Award of Contract: The County reserves the right to award to more than one (1) supplier. Multiple awards may be made on the basis of a primary, secondary, and tertiary supplier. The primary supplier shall furnish the County's requirements until such time as the County determines that it is in the best interest of the County to seek performance from the secondary supplier, then tertiary supplier. The County's decision will be based upon the ability of the primary source to supply acceptable goods or services within the County's time requirements. The County's decision to utilize the secondary and tertiary sources shall be final and conclusive. In addition, the resulting contract from this solicitation will be considered "Non-Exclusive". The County reserves the right to obtain service, or product(s), from other suppliers. Always acting in the best interest of Taney County Missouri.</p>	
1.29	<p>Agreement: The entire contents of response documents submitted by the successful Bidder to this request shall include all bid documents and will become a part of any contract award as a result of this solicitation. These signed documents will be binding. Bidder shall initial all pages where the document denotes "Bidder's Initials: ___" at the bottom of each page after completing each page. Any responses not complying with this condition may be considered non-responsive. The Awarded Vendor(s), of this request, will follow up with a written agreement draft, working with our Legal Services Department, and oversee completion of that process to the mutual satisfaction of all parties working in harmony with this signed response.</p>	
1.30	<p>Our standard <i>Sample</i> Agreement currently being used by Taney County, in most cases, is attached here to assist. It is not necessary to fill in the blanks of said "<i>Sample</i>". This sample is for reference purposes only. The County reserves the right to use other agreement versions should our Legal Services Department decide another version would better serve the needs of Taney County Missouri as they pertain to those requested within this solicitation.</p>	
1.31	<p>Response Content: In order to enable direct comparison of competing responses, Bidders must submit responses in strict conformity to the requirements stated herein. Failure to adhere to all requirements may result in Bidder's Response being disqualified as non-responsive. All responses must be submitted using the forms provided herein. Every question should be answered. If not applicable, the section should contain "N/A."</p>	
1.32	<p>Award Results: The County's Responses, Bid Tabulations, and Bid Award information may be viewed on our website at <a href="http://www.taneycounty.org">www.taneycounty.org</a>. (Purchasing Department Page.)</p>	
1.33	<p>Response Clarification: The County reserves the right to request additional written or oral information from Bidders in order to obtain clarification of their responses.</p>	
1.34	<p>Rejection or Correction of Responses: The County reserves the right to reject any or all responses. Minor irregularities or informalities in any response which are immaterial or inconsequential in nature, neither affected by law nor at substantial variance with bid conditions, may be waived at our discretion whenever it is determined to be in the best interest of Taney County Missouri.</p>	
1.35	<p>Evaluation Process: The County's sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.</p>	
1.36	<p>Acceptability: The County reserves the sole right to determine whether goods and/or services offered are acceptable for County use.</p>

**4. STANDARD TERMS AND CONDITIONS:**

Here please check (✓) off the appropriate box to indicate compliance or not. In this section the County will always look for 100% COMPLIANCE. These “STANDARD TERMS and CONDITIONS” are absolutely critical to all County solicitations. We suggest that if after reviewing each of the following items if any potential participant feels they are not able to comply with ALL - they should probably not submit a bid response to our solicitation. All “D” check (✓) marks will be considered very strongly toward disqualification. Check every item. Any blank item in this section will be considered non-responsive and will disqualify.

<b>C = Comply with. (In some cases this will serve as a basic acknowledgement to that specific term or condition.)</b>		<b>C</b>	<b>D</b>
<b>D = Does not comply with. (You or your firm cannot agree with or comply with that specific term or condition.)</b>			
4.1	Responses shall include all charges for packing, delivery, installation, etc., (unless otherwise specified) to the County Department identified in this solicitation.		
4.2	The Taney County Commission has the right to accept or reject any part or parts of all bids, to waive technicalities, and to accept the offer the County Commission considers the most advantageous to the County.		
4.3	Taney County reserves the right to award on an item-by-item basis, or an “all or none” basis, whichever is in the best interest of the County.		
4.4	Bidders must use the bid request forms provided for the purpose of submitting responses, must return the bid and bid sheets comprised in this bid – in same order as received, give the unit price, extended totals (when asked for), and sign the bid.		
4.5	When products or materials of any particular producer or manufacturer are mentioned in our specifications, such products or materials are intended to be descriptive of type or quality and not restricted to those mentioned.		
4.6	Any submitted delivery date, when required, shall be stated in definite terms, unless otherwise indicated, as it may be taken into consideration in the award phase.		
4.7	The County Commission reserves the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed.		
4.8	In case of a delay the Contractor must notify one of the County Administrators listed on page #6.		
4.9	In case of default by the Contractor, the County of Taney will procure the articles or services from other sources and hold the Bidder responsible for any excess cost occasioned thereby.		
4.10	Failure to deliver as guaranteed may disqualify Bidder from future participation.		
4.11	Prices must be as stated in units of quantity specified, and must be firm.		
4.12	The County of Taney, Missouri expressly denies responsibility for, or ownership of any item purchased until same is delivered and is accepted by the County.		
4.13	Do not include Federal Excise Tax or Sales and Use Taxes in your response, as state law exempts the County from these taxes.		
4.14	The County, from time to time, uses federal grant funds for the procurement of goods and services. Accordingly, the provider of goods and/or services shall comply with federal laws, rules and regulations applicable to the funds used by the County for said procurement, and contract clauses required by the federal government in such circumstances as are incorporated herein by reference. These clauses can generally be found in the Federal Transit Administration’s Best Practices Procurement Manual Appendix A. Any questions regarding the applicability of federal clauses to a particular bid should be directed to the Purchasing Department prior to bid response opening.		
4.15	In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.		
4.16	Should an audit of Contractors invoices – during the term of the Agreement, and any renewals thereof, indicate that Taney County has remitted payment on invoices that constitute an over-charging to the County above the pricing terms agreed to herein, the Contractor shall issue a refund check to the County for any over-charges within 30 days of being notified of the same.
