**INTRODUCTION & BASIC PROCESSING INFORMATION:**

A formal invitation for bid is utilized when any total purchase estimate exceeds \$6,000. The County also uses this method when the life of a term and supply contract is valued more than \$6,000. A complete bid request package will contain well-defined standard technical specifications for the nature of the service or product(s) requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award.

The Purchasing Department is responsible for the bid opening at the time and place noted in this solicitation. If a Vendor wants a copy of the bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed bids cannot be emailed so they must either be delivered by hand, courier, or U.S.P.S. (Please note U.S.P.S. concerns as listed in item #1.3 on the following page.)

All formal invitations for bid are handled by the Taney County Purchasing Department. However, technical requirements and product specifications are the responsibility of the specific requesting department as listed in sections #2 & #3.

Read ALL solicitation documents closely - immediately upon receipt. Note any/all special dates and submit your response as soon as possible. See Items 1.21-1.27 for the process to submit questions. Pay close attention to the terms *must*, *will*, *shall*, *should* or *may*.

~~~~~  
Section #1 includes instructions, conditions, guidelines, requirements and other key factors that must be understood. Using the checkmark system here will assist Vendors in participating correctly and limit the possibility of their response being disqualified due to a technicality. Use a checkmark (✓) to acknowledge each of the following items. We have found this method improves communications, limits the need for questions and thus Addendum, and helps to avoid other areas of confusion.

| 1.2 | Closing: <i>Sealed Responses</i> must be delivered before "Closing Date / Time" as listed on page one, to the Taney County Purchasing Department as listed on page two.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |
| 1.3 | United States Postal Service WARNING: Due to the fact that there is no mail delivery service at our offices, we <b>strongly</b> discourage Bidders from using the U.S.P.S. If a Bidder elects to use the United States Postal Service do <b>NOT</b> send "return receipt requested" on our end as we do not have staff to wait in line at the Post Office <i>when their counter is open</i> to sign for a bid response package. ALSO...The Post Office only recognizes our P.O. Box address. Other delivery services require our physical address. Both addresses are listed on page #2. It is the Bidder's responsibility, not the County, nor the Post Office, to ensure responses are delivered in time to the Purchasing Department. Courier or hand delivery works the best. |     |
| 1.4 | Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered "NON-RESPONSIVE". They will not be opened or returned.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |
| 1.5 | Opening: Bids will be opened publicly at "Opening Date / Time", per page one, and read aloud. All responses will be considered public information as soon as they are opened and become a part of the public record to be released to any person or firm who formally requests a copy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |     |
| 1.6 | Award / Timeline: Recommendation for award will be made formally to the Taney County Commission as soon as possible after a complete departmental review. Updates may be sent via email should the award process become delayed for any reason. (10 days or more.)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |     |
| 1.7 | Withdrawals: Responses may be withdrawn on written request from the Bidder at the address shown in this request prior to the time of acceptance of the response. Once a response is opened, and accepted, it can only be withdrawn by order of the Taney County Commission.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |     |

Make sure your package indicates "BID", with the BID NUMBER - on the final outside surface of your package.                                                                                                                                                                                                                                                                                                                        |     |

THIS AGREEMENT dated the \_\_\_\_\_ day of \_\_\_\_\_ 201\_ is made between Taney County, Missouri, a political subdivision of the State of Missouri, (-hereinafter "County") and \_\_\_\_\_ of \_\_\_\_\_ (-hereinafter "Contractor").

NOW, THEREFORE IN CONSIDERATION of the mutual considerations and obligations of the parties contained herein, the parties agree as follows:

1. Contract Documents. In the event of a billing dispute, the County reserves the right to withhold payment on the disputed amount.

5. Binding Effect. This Agreement shall be binding upon the parties hereto and their successors and assigns for so long as this Agreement remains in full force and effect.

This Agreement may only be amended by a signed writing executed with the same formality as this Agreement.

7. Termination. This Agreement may be terminated by the County upon thirty days advance written notice for any of the following reasons or under any of the following circumstances:
