**INTRODUCTION & BASIC PROCESSING INFORMATION:**

A formal invitation for bid is utilized when any total purchase estimate exceeds \$6,000. The County also uses this method when the life of a term and supply contract is valued more than \$6,000. A complete bid request package will contain well-defined standard technical specifications for the nature of the service or product(s) requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award.

The Purchasing Department is responsible for the bid opening at the time and place noted in this solicitation. If a Vendor wants a copy of the bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed bids cannot be emailed so they must either be delivered by hand, courier, or U.S.P.S. (Please note U.S.P.S. concerns as listed in item #1.3 on the following page.)

All formal invitations for bid are handled by the Taney County Purchasing Department. However, technical requirements and product specifications are the responsibility of the specific requesting department as listed in sections #2 & #3.

Read ALL solicitation documents closely - immediately upon receipt. Note any/all special dates and submit your response as soon as possible. See Items 1.21-1.27 for the process to submit questions. Pay close attention to the terms *must, will, shall, should* or *may*.

~~~~~  
 Section #1 includes instructions, conditions, guidelines, requirements and other key factors that must be understood. Using the checkmark system here will assist Vendors in participating correctly and limit the possibility of their response being disqualified due to a technicality. Use a checkmark (✓) to acknowledge each of the following items. We have found this method improves communications, limits the need for questions and thus Addendum, and helps to avoid other areas of confusion.

| 1.2 | Closing: <i>Sealed Responses</i> must be delivered before "Closing Date / Time" as listed on page one, to the Taney County Purchasing Department as listed on page two.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |
| 1.3 | United States Postal Service WARNING: Due to the fact that there is no mail delivery service at our offices, we <b>strongly</b> discourage Bidders from using the U.S.P.S. If a Bidder elects to use the United States Postal Service do <b>NOT</b> send "return receipt requested" on our end as we do not have staff to wait in line at the Post Office <i>when their counter is open</i> to sign for a bid response package. ALSO...The Post Office only recognizes our P.O. Box address. Other delivery services require our physical address. Both addresses are listed on page #2. It is the Bidder's responsibility, not the County, nor the Post Office, to ensure responses are delivered in time to the Purchasing Department. Courier or hand delivery works the best. |     |
| 1.4 | Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered "NON-RESPONSIVE". They will not be opened or returned.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |
| 1.5 | Opening: Bids will be opened publicly at "Opening Date / Time", per page one, and read aloud. All responses will be considered public information as soon as they are opened and become a part of the public record to be released to any person or firm who formally requests a copy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |     |
| 1.6 | Award / Timeline: Recommendation for award will be made formally to the Taney County Commission as soon as possible after a complete departmental review. Updates may be sent via email should the award process become delayed for any reason. (10 days or more.)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |     |
| 1.7 | Withdrawals: Responses may be withdrawn on written request from the Bidder at the address shown in this request prior to the time of acceptance of the response. Once a response is opened, and accepted, it can only be withdrawn by order of the Taney County Commission.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |     |

THIS AGREEMENT dated the \_\_\_\_\_ day of \_\_\_\_\_ 202\_ is made between Taney County, Missouri, a political subdivision of the State of Missouri, (-hereinafter "County") and \_\_\_\_\_ of \_\_\_\_\_ (-hereinafter "Contractor").

NOW, THEREFORE IN CONSIDERATION of the mutual considerations and obligations of the parties contained herein, the parties agree as follows:

1. Contract Documents. The contract documents to this Agreement for the purchase of Guardrail ("Product") shall include the Contractor's bid response to County's Request For Bid # 202004-447 and any applicable addenda which are attached hereto and incorporated herein by reference. Product or Services data, specifications and literature submitted may be permanently maintained in the County Purchasing Office. In the event of a conflict between any of the foregoing Contract Documents, and this Agreement, the terms and conditions of this Agreement shall prevail and control.

2. Contract Price. Product provided under this Agreement shall not exceed the prices as set forth in Exhibit A, which is attached hereto and incorporated herein by reference (the "Price") subject to a maximum increase of 5% during the term to allow for unexpected steel pricing fluctuations, but only during a period in which the price to Contractor of Product increases, and subject to the discretion and acceptance by the County. This is an absolute maximum Price allowed during the term of this Contract. The Price includes prevailing wage compliance as part of this Agreement per Wage Order #26 specific to Taney County Missouri. Contractor shall act as the primary supplier and shall furnish Guardrail Products / Services / Installation for the County. Said services will be performed, or products purchased and provided on an ongoing, "as needed" basis with scheduling being completed via mutual agreement including all items as listed within the bid response. If certain unusual circumstances occur specific to Product, or Services, availability the County may consider all other options.

3. Contract Duration. This agreement shall commence on the date it is fully executed and extend for 12 months thereafter, subject to the provisions for termination specified below. This agreement may be extended beyond the expiration date only by order of the County for three (3) additional one (1) year periods, subject to the pricing clauses and delivery clauses as agreed to, and offered by the Contractor's bid response to continue to perform services and/or supply products "as needed". This agreement may be renewed thereafter on a month to month basis for up to six months in the event the County is unable to re-bid and award a new contract prior to expiration.

4. Billing and Payment. All billing shall be invoiced with specific department information and include bid reference #202004-447 for tracking. Billings and invoices may only include the prices provided for in this Agreement. No additional fees or extra services not included, or taxes, shall be included as additional charges in excess of the charges in this Agreement or the Contract Documents. The County agrees to pay all correct statements within thirty days of receipt; Contractor agrees to honor any cash or prompt payment discounts, if any are available, when County makes payment as provided therein. In the event of a billing dispute, the County reserves the right to withhold payment on the disputed amount.

5. Binding Effect. This Agreement shall be binding upon the parties hereto and their successors and assigns for so long as this Agreement remains in full force and effect.

6. Entire Agreement. This Agreement constitutes the entire Agreement between the parties and supersedes any prior negotiations, written or verbal, and any other bid or bid specification or contractual Agreement. This Agreement may only be amended by a signed writing executed with the same formality as this Agreement.

7. Termination. This Agreement may be terminated by the County upon thirty days advance written notice for any of the following reasons or under any of the following circumstances:

- a. Due to material breach of any term or condition of this Agreement, or
- b. If in the opinion of the Taney County Commission delivery of Services, Product, or Equipment is delayed or are not in conformity with specifications or variances authorized by County, or
- c. If appropriations are not made available and budgeted for any calendar year.

8. Governing Law; Venue. This Agreement shall be governed by the laws of the State of Missouri. Venue for any dispute arising out of the formation, interpretation, or claims regarding a breach of this Agreement shall be solely and exclusively in the Circuit Court of Taney County Missouri.
