## **INTRODUCTION & BASIC PROCESSING INFORMATION:**

\*E-mail (MUST be legible.)

A formal invitation for bid is utilized when any total purchase estimate exceeds \$6,000. The County also uses this method when the life of a term and supply contract is valued more than \$6,000. A complete bid request package will contain welldefined standard technical specifications for the nature of the service or product(s) requested. A formal closing date and time is specified. The Bidder must comply with this requirement in order to be considered for award.

Partnership)

The Purchasing Department is responsible for the bid opening at the time and place noted in this solicitation. If a Vendor wants a copy of the bid tabulation they must include a direct email address, not website, in order to receive results. Obviously sealed bids cannot be emailed so they must either be delivered by hand, courier, or U.S.P.S. (Please note U.S.P.S. concerns as listed in item #1.3 on the following page.)

Entity Type (Corporation, LLC, Sole Proprietor,

All formal invitations for bid are handled by the Taney County Purchasing Department. However, technical requirements and product specifications are the responsibility of the specific requesting department as listed in sections #2 & #3.

Read ALL solicitation documents closely - immediately upon receipt. Note any/all special dates and submit your response as soon as possible. See Items 1.21-1.27 for the process to submit questions. Pay close attention to the terms *must*, *will*, *shall*, *should* or *may*.

Section #1 includes instructions, conditions, guidelines, requirements and other key factors that must be understood. Using the checkmark system here will assist Vendors in participating correctly and limit the possibility of their response being disqualified due to a technicality. Use a checkmark (), in the box adjacent to the section number, in order to acknowledge each of the following items. We have found this method improves communications, limits the need for questions and thus Addendum, and helps to avoid other areas of confusion.

# Section 1. INSTRUCTIONS AND GENERAL CONDITIONS

1.1

Delivery of: Sealed Responses, subject to Instructions and General Conditions and any special conditions set forth herein, will be received at the Taney County Purchasing Office until the solicitation closing date and time indicated herein for furnishing the County with goods, and or, services as detailed within the following pages.

1.2

Closing: Sealed Responses must be delivered before "Closing Date / Time" as listed on page one, to the Taney County Purchasing Department as listed on page two.

1.3

United States Postal Service WARNING: Because there is no mail delivery service at our offices, we **strongly** discourage Bidders from using the U.S.P.S. If a Bidder elects to use the United States Postal Service, do **NOT** send "return receipt requested" on our end, as we are not staffed appropriately to wait in line at the Post Office when their counter is open to sign for a bid response package. IN ADDITION, The Post Office only recognizes our P.O. Box address. Other delivery services require our physical address. Both addresses are listed on page #2. It is the Bidder's responsibility, not the County, nor the Post Office, to ensure responses are delivered in a timely fashion, to the Purchasing Department. Courier or hand delivery works the best.

1.4

Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered "NON-RESPONSIVE". They will not be opened or returned.

List the bid number on the outside of the box or envelope and note "Response to Request for Bid enclosed" with a return name & address. No fax or electronic transmitted responses will be accepted.
