Section #1 includes instructions, conditions, guidelines, requirements and other key factors.

**Use a checkmark (✓), in the box adjacent to the section number, in order to acknowledge each of the following items. Any item unchecked in this section, will be considered non-responsive and may be disqualified.**

**Section 1. INSTRUCTIONS AND GENERAL CONDITIONS**

1.1

Sealed responses may be submitted to the Taney County Purchasing Office until the solicitation closing date and time indicated herein, subject to Instructions and General Conditions and any special conditions.

1.2

Closing: *Sealed Responses* must be delivered before “Closing Date/Time” as listed on page one, to the Taney County Purchasing Department as listed on page two.

1.3

United States Postal Service (“U.S.P.S.”) WARNING: Because there is no mail delivery service at our offices, we **strongly** discourage bidders from using the U.S.P.S. If a Bidder elects to use the U.S.P.S., do **NOT** send “return receipt requested.” The Post Office only recognizes the P.O. Box address. Other delivery services require the physical address. It is the Bidder’s responsibility to ensure responses are delivered in a timely fashion to the Purchasing Department. Courier or hand delivery is recommended.

1.4

Late Packages: The County will not accept any response received after the listed closing date/time. Late arrivals are considered “NON-RESPONSIVE” and will not be opened or returned.

1.5

Opening: Bids will be opened publicly at “Opening Date/Time” and read aloud. All responses will be considered public information as soon as they are opened and become a part of the public record to be released to any person or firm who formally requests a copy.

1.6

Award/Timeline: Recommendation for award will be made formally to the Taney County Commission as soon as possible after a complete departmental review. Updates may be sent via email should the award process become delayed, 10 or more days, for any reason.

1.7

Withdrawals: Responses may be withdrawn on written request from the Bidder at the address shown prior to the time of acceptance of the response. Once a response is opened, and accepted, it can only be withdrawn by order of the Taney County Commission.

1.8

Sealed & Marked: Responses must be submitted in a sealed envelope identified with the bid number and dates of closing & opening. List the bid number on the outside surface of the box or envelope and note “*Response to Request for Bid enclosed*” with a return name & address. No fax or electronic transmitted responses will be accepted.

1.9

Bidder Expenses: This County is not responsible for any expenses, which Bidders may incur in estimating, inspecting, or preparing information to respond to this solicitation.

1.10

Presentations/Inspections: The County reserves the right to conduct personal interviews or require presentations, inspections, of or from any/all Bidders prior to selection. The County will not be liable for ANY costs incurred by the Bidder in connection with such interviews, presentations, or inspections.

1.11

Bid Term: All Responses submitted shall be binding and remain firm for ninety (90) calendar days following the opening, unless otherwise indicated. Pricing/Costs submitted with a response must be honored for that set timeframe. Submitted pricing, once opened, cannot be changed for any reason. Any such changes will disqualify that response.

1.12

Bid Rejection: The Taney County Commission reserves the right to reject any or all responses when such rejection is in the best interest of the County.

1.13

Multiple Awards: Responses may be awarded to one company or multiple companies, when such award is deemed in the best interest of the County.

1.14

Payment Terms: Standard payment terms are *Net 30* after receipt of an invoice. The County cannot, and will not, agree to any other payment terms. Once products, or services, are received and accepted, Taney County will process payment in full. Invoices need to be issued and mailed to the requesting department - not Purchasing.

1.15

Requests for credit applications and deposits are not necessary and will – in most cases – not be processed or accepted.

1.16

Any award agreement shall take effect upon the approval by the Taney County Commission.

1.17

Alterations: Any alterations, changes, lining out, or margin notes to any items within these instructions may result in the response being disqualified.

1.18

Direct Email Address: An email address, not a website, **MUST** be provided in order to receive award results. Final award results are by email only and will be emailed to all responding Vendors. Please do not call for results.

1.19

1.20

All questions for this solicitation must be submitted by the time indicated on page 1. Questions must be emailed to the department point of contact listed within this request as well as copied (cc) to the Purchasing Director at: [nikki.lawrence@taneycountymo.gov](mailto:nikki.lawrence@taneycountymo.gov)

1.21

If it becomes necessary to revise any part of this solicitation due to a significant question received which could impact specifications; a written Addendum will be issued to explain any new/necessary modifications.

1.22

Any/all solicitation questions that result in modifications will be combined into one written Addendum with answers and explanations to cover any/all new issues.

1.23

Addenda are valid only if in writing and issued by the Taney County Purchasing Department.

1.24

Any necessary Addendum will be emailed as close as possible to the day following the question submission deadline to all parties who had previously been part of the original Direct Bid Invitation email or had made email contact during the open questioning timeframe.

1.25

When an Addendum is necessary, Bidders are required to formally respond. Follow the instructions as indicated in the Addendum.

1.26

Any necessary Addendum will be posted on the Taney County website with the original solicitation. An indication will be in red and placed at the end of the affected proposal.

1.27

Award of Contract: Multiple awards may be made on the basis of a primary, secondary, and tertiary vendor. The primary vendor shall furnish the County's requirements until such time as the County determines that it is in the best interest of the County to seek performance from the secondary vendor, then tertiary vendor. The County's decision to utilize the secondary and tertiary sources shall be final and conclusive. In addition, the resulting contract from this solicitation will be considered "Non-Exclusive". The County reserves the right to obtain service, or product(s), from other vendors when it is in the best interest of the County.

1.28

Agreement: The selected vendor(s) will be required to enter into a written agreement with the County, in cooperation with the County's Legal Services Department and completed to the mutual satisfaction of the parties, consistent with the RFP and response. The RFB and response documents submitted by the successful Bidder will become a part of any contract award as a result of this solicitation. These signed documents will be binding. Bidder shall initial all pages where the document denotes "Bidder's Initials: \_\_\_" at the bottom of the page after completing said page. Any responses not complying with this condition may be considered non-responsive.

1.29

Response Content: In order to enable direct comparison of competing responses, Bidders must submit responses in strict conformity to the requirements stated herein. Failure to adhere to all requirements may result in Bidder's Response being disqualified as non-responsive. All responses must be submitted using the forms provided herein. Every question should be answered. If not applicable, the section should contain "N/A."

1.30

1.31

Response Clarification: The County reserves the right to request additional written or oral information from Bidders in order to obtain clarification of responses.

1.32

Rejection or Correction of Responses: Minor irregularities or informalities in any response which are immaterial or inconsequential in nature, neither affected by law nor at substantial variance with bid conditions, may be waived at the County's discretion whenever it is determined to be in the best interest of Taney County, Missouri.
