

REQUEST FOR PROPOSALS

The Taney County Purchasing Department is accepting sealed proposals from firms/individuals to provide and install approximately 1200 lineal feet of standard 2' curb and gutter. Staking will be provided by Great River Engineering. All base work to be done by the County.

Job location is Shorty Cooper Street. This street is located just east of the new Taney County Judicial Facility in Forsyth. Plans may be obtained from Great River Engineering, 2826 S. Ingram Mill Road, Springfield, Mo. Any questions regarding the proposed work should be directed to Great River Engineering at 417-886-7171 or Randy Haes, Road & Bridge Coordinator at 417-546-7268.

This is a prevailing wage project.

Proposals must be submitted by 9:30 a.m. April 8, 2010.

All proposals should be marked **201003-94** and mailed to:

Linda Gifford, Purchasing Agent
132 David Street
PO Box 1630
Forsyth, MO 65653
Phone: 417-546-7281
lindag@co.taney.mo.us

All proposals should be submitted to the Purchasing Department by the above stated time and clearly marked. Responses received after the stated deadline will be unopened and will not be considered.

The County Commission reserves the right to reject any or all proposals.

Linda Gifford
