

# OFFICIAL MINUTES

May 27, 2010, 28<sup>th</sup> DAY OF  
THE APRIL ADJOURN TERM

The County Commission met in The Commissioner's Hearing Room at 9:00 AM with Chuck Pennel and Danny Strahan present, and Jim Strafuss present via teleconference. The following proceedings were had and made a matter of record:

## **AIRPARK FINAL PLAT – TABLED FROM 5/26/2010**

Eddie Coxie presented slides and information on the previous progress of the development and the platting issues associated with it.

Attorney Harry Styron spoke to the Commission and clarified the efforts and intentions of Tami Warner.

The Commission directed Mr. Coxie to create a list of required changes and amendments and provide that list to Ms. Warner, so that the proper plat amendment could be made. Additionally, the Commission requested that Mr. Coxie make this case and its associated review a priority.

Bob Paulson suggested the Commission hire an attorney who specializes in platting and coding issues.

Harry Styron suggested the hiring of an experienced surveyor, as he was not aware of any attorneys who were well-versed in property law. The Commission agreed and directed Mr. Coxie to contact three suggested surveyor's offices, including Larry Gardner, Ken Buchanan and Eddie Wolf and present the cost and availability information back to the Commission.

Presiding Commissioner Pennel declared a recess.

**RECESS**
