

RFP# 201109-152 (Fencing) Results:

This morning, October 20, 2011 the Taney County Commission voted unanimously to award RFP# 201109-152 (Fencing – Mt. Branson Facility) to: Anchor Fence 5755 S. Campbell Springfield, Missouri 65810. Anchor Fence met all requirements within the RFP and submitted a TOTAL COST TO THE COUNTY BID of: **\$10,658.00**

NOTE: Anchor Fence was one of only two companies responding but Anchor was the only company who qualified due to they alone completed the mandatory on site inspection of the area to be fenced. The other response will remain un-opened as “Non-Responsive” for failing to follow the mandatory requirement of doing an on site inspection.

The Commission discussed options concerning the lack of Bid Responses and decided that due to the time of the year and the need for this fencing to be up before winter, they instructed that we proceed with this Bid Opening and the one qualified response was opened, read, and awarded after a brief discussion.

Thank you.

Ron Erickson
Director of Purchasing
