

RFB# 201112-161 Newspaper Services (RESULTS)

December 29, 2011, due to an issue concerned possible confusion regarding the correct expiration date with the current "Newspaper Services" Bid the Taney County Commission made a motion to cancel this Bid and return all sealed Bid responses unopened. Presiding Commissioner Houseman stated the Newspaper Services bids awarded in June 2011 stated the length of bid was one year from date of award. The Commission was unaware of the one year statement and took it into consideration. Discussion ensued.

Commissioner Strafuss moved to reject the bids received for #201112-161 as the current bid was not due to expire until June 19, 2012. Commissioner Strahan seconded the motion. The motion passed by vote: Houseman (aye), Strahan (aye) and Strafuss (aye).
