These recommendations are based on cost for picked-up or delivered materials and location and availability of material. As listed within the instructions of the Bid – we will follow the above listed process as much as possible but have the right to use whichever listed Vendor, at whatever time / locations, which best meets the needs we have and serves the best interest of Taney County. By these designations Road & Bridge (Taney County) are not required, nor limited to, using one or the other. Nor are there any minimums – or maximums – of items or quantities required to be purchased via this Bid / Award. These stipulations apply to every aspect of this Bid Process, Aggregate AND Road Materials.

Sincerely;

Randy Haes  
Interim Road and Bridge Administrator
