Thursday February 28, 2013: The Taney County Commission met in reference to the above listed RFB. After opening responses from the above listed companies, a request was made to set a time certain for a recommendation after review. The Taney County Commission set Thursday March 7, 2013 for said recommendation.

Thursday March 7, 2013: Subsequent to a thorough review by Randy Haes with Road & Bridge, of all the detailed pricing offered, it was determined that Newman Signs, Inc had been the only Vendor offering a full and complete response to all items as requested. Including detailed attached lists for face sheeting for each requested sign called for within the specs and clarified via addenda. Thus they are recommended for award as PRIMARY Vendor, with the other next most complete response, Vulcan, designated as Secondary. The Taney County Commission reviewed the detailed Bid Tab Form completed by Road & Bridge and thereafter made a motion to award as such and it passed unanimously. (* Vulcan submitted face sheeting as per sq. ft. rather than each as was clarified in signed addenda and did not include that pricing in their Grand Total. However we feel they offered the next best response.)

Thank you.
