

BID RESULTS

BID DATE; Tuesday May 21, 2013
BID FOR; County Mowing Services
BID NUMBER; **RFB# 201304-224**

Response to the above listed RFB resulted in only one Bid being received. **Lakes Area Lawn Care for: \$1100.00.**

Due to the high amount I suggested contacting the Vendor to allow them to view the locations and thereafter confirm the amount. Renee Brusca, Taney County Building and Grounds Supervisor made contact and confirmed the amount. Also she was asked questions regarding the "Worker's Compensation Insurance" requirements being alerted to the fact that this requirement was causing the amount to be higher than what we may have preferred. Renee was then able to schedule a recommendation in front of the Taney County Commission for Monday June 3, 2013.

Monday June 3, 2013: After delivering the Bid results to the Taney County Commission, as listed above, the Commission decided to reject this RFB, allow time for said questions to be resolved, and then re-evaluate all possible solutions for the County Mowing Services.

A motion was made and the Taney County Commission voted unanimously to reject.

Thank you.

Ron Erickson,
Director of Purchasing
Taney County Missouri
